Application Information
Applicants must submit a letter of interest, three letters of recommendation, curriculum vitae, official transcripts for pharmacy education, and a completed application form. All materials should be submitted through PhORCAS at https://portal.phorcas.org/. We will start accepting applications on January 6, 2020. Further information can be found at: http://www.ttuhsc.edu/sop/residencies

Program Purpose
To build upon the Doctor of Pharmacy education to develop community-based pharmacist practitioners with diverse patient care, leadership, and education skills who are practice-ready for advanced practice opportunities including postgraduate year two (PGY2) residencies and professional certifications.
Program Description

This program will include exposure to disease prevention, adherence, pharmacist-managed clinics, compounding and independent pharmacy ownership. Residents will be appointed as assistant instructors and assist in the delivery of school of pharmacy curriculum including didactic and laboratory courses. This will be the second year of this residency program and it is not ASHP-accredited.
