- Prepare in advance:
 - Beginning in early November, view the Residency Showcase Listing
 - Determine which sites you want to visit during the showcase
 - Find out the date and time those sites will be at the showcase
 - Programs are listed by site, not by specific type of residency program offered

ASHP Tips

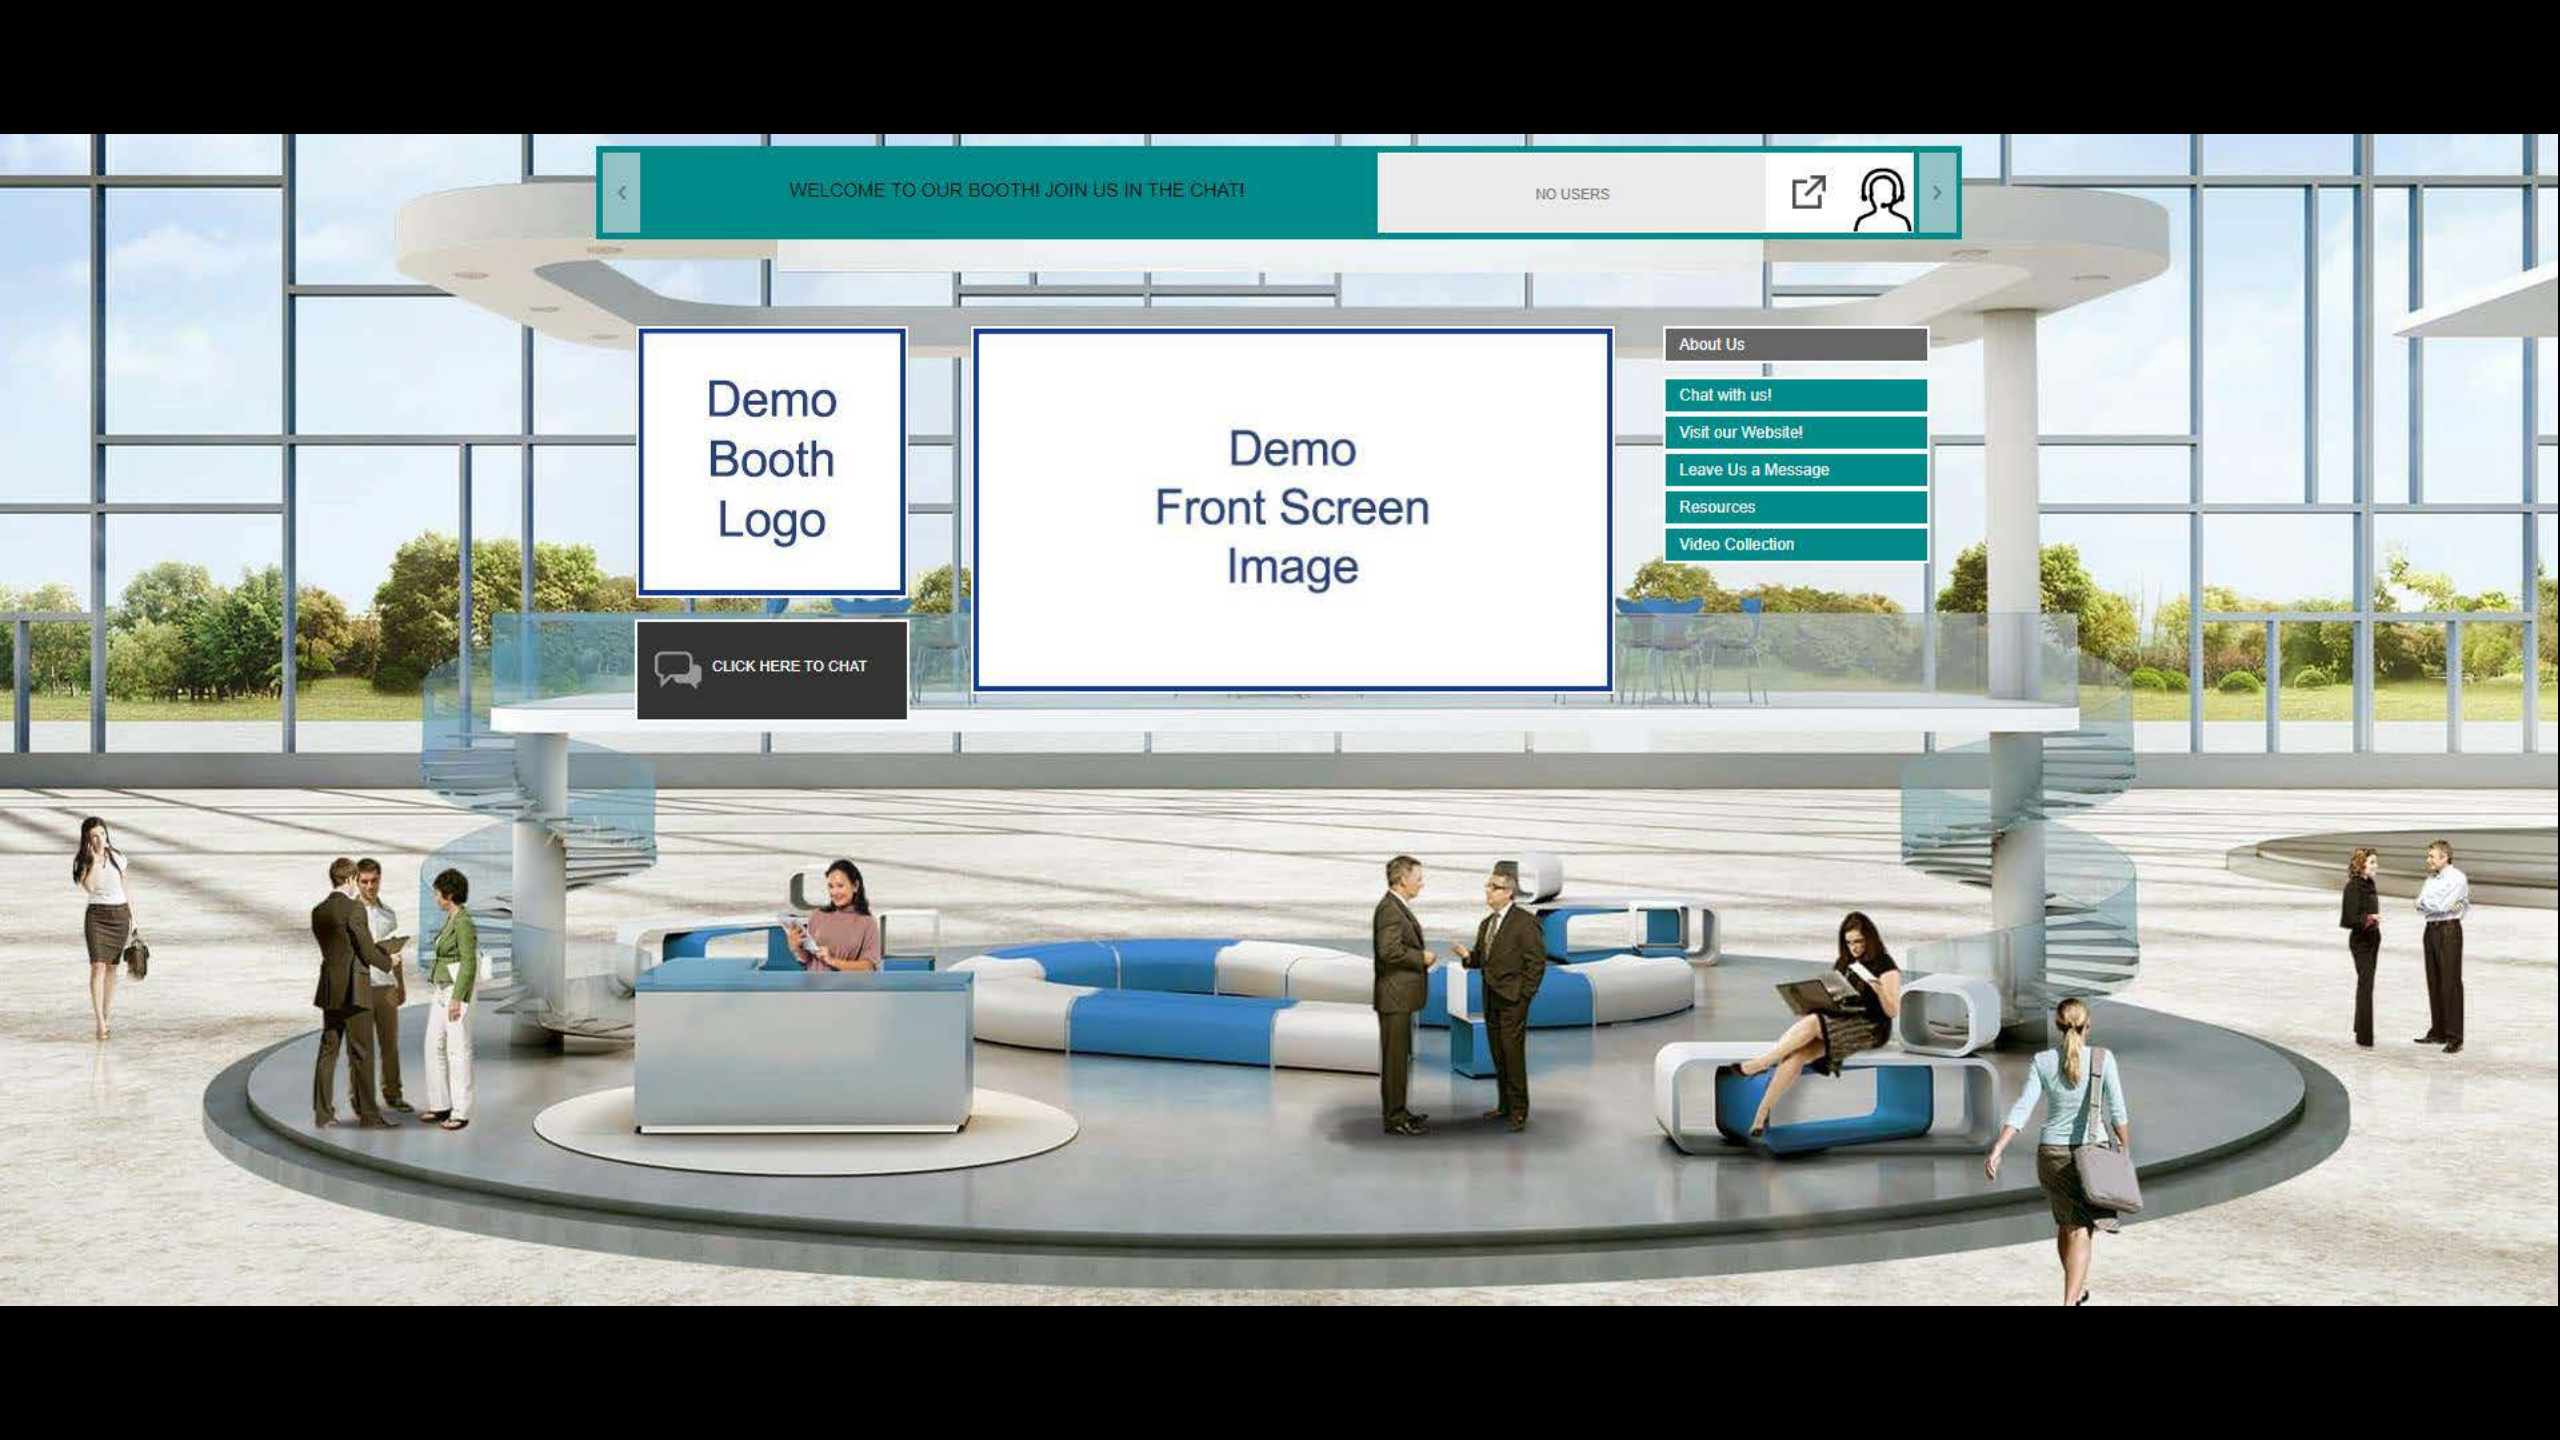

- Participating sites exhibit during *only one* time slot. They *do not* exhibit at *all* sessions.
 - Use the exhibitor list and program listing portal to view the time when the sites you want to see are displaying
 - Not enough time to visit the sites you're most interested in?
 - Ask the program representatives if they are available at another time during the meeting to talk with you.
 - Be respectful of each program's time. Have your questions prepared before you come to the showcase
- ASHP staff will be available to answer your questions
 - Contact us at showcase@ashp.org
- Good luck to all prospective residents and residency programs for the next residency year!
