The Dallas/Fort Worth Area Residency Showcase, hosted by The University of Texas at Austin College of Pharmacy, is going virtual!

This year's virtual event will be held on Monday, November 9, 2020 from 4:45 - 8:00 p.m.

The event will be open to all P4 students only.

A schedule for the showcase is attached.

We will be using Zoom as the platform for the event.

From 4:45 - 5:00 p.m., we will have a brief orientation in the main Zoom room to provide instructions and guidelines for the event. Just prior to 5:00 p.m. programs will be admitted to their assigned breakout room and the showcase will begin. Every hour, each program will have 20 minutes to interact with students. Students will be able to move between the breakout rooms to "visit" with programs.

****Please make sure that you are using the most recent **Zoom desktop client or mobile app, version 5.4.1** so that you are able to freely move between the various breakout rooms of your choosing**.**

Students must register to participate in the showcase. Please register by clicking on the following link and completing the questionnaire. Please note that a Zoom-linked email account is required to register and to join the Showcase Zoom Meeting. (This is a required security feature per UT protocol). **Any** Zoom account is allowed, including a personal and/or free account, but you must register (and sign in to the meeting) using an email address that is associated with your Zoom account. If you do not have a Zoom account, then please sign up for one here: <https://zoom.us/freesignup/>. Additional instructions on how to join a Zoom meeting, including download instructions for the Zoom app, can be found here: <https://support.zoom.us/hc/en-us/articles/201362193>. Please register by **Friday, November 6, 2020**.

Registration link: <https://utexas.zoom.us/meeting/register/tJUpf-6rrz4oEtTJlwkCBFbDFcTZ9GqJtkFQ>

Each registrant will receive an email with the Zoom link for the program.

I appreciate your patience as we have worked to make this a virtual event. I look forward to seeing your students virtually on November 9th!

Linda
