

Greetings TTUHSC Students and Team Members,

Beginning in April, we're introducing a **new process to share information** about **HSC Huddle** and **President's Advisory Board** meetings.

As part of the new process, you will receive a calendar invite from "HSC Events" that will include the information I've previously shared in email.

#### HERE'S HOW THE NEW PROCESS WILL WORK:

- Email arrives in your inbox from [hscevents@ttuhsc.edu](mailto:hscevents@ttuhsc.edu).
- You accept the calendar invite.
- The event is added directly to your HSC Outlook calendar.

#### WHY THE CHANGE?

- Our goal is to simplify the process of informing you about university events.
- Maintaining a culture of open communication at TTUHSC is one of the top strategies in our Strategic Plan.

I encourage you to add these standing TTUHSC events to your calendar and participate as a valued member of our team.

Warmest regards,

**Lori Rice-Spearman, Ph.D.**

PRESIDENT

Texas Tech University Health Sciences Center
