

Image Analysis Core Laboratory
Texas Tech University Health Sciences Center
Internal Academic (TTUHSC) Users Equipment Rates

Equipment	Unassisted hourly rate	Assisted hourly rate	Training hourly rate	Location
Nikon Confocal TiE Inverted Microscope	\$40.00	\$76.00	\$80.00	5AB100H
Zeiss LSM 980 Airyscan 2 Microscope	\$40.00	\$76.00	\$80.00	5AB100G
Nucleofector	\$10.00	\$31.00	\$35.00	5AB100
Zeiss Axiovert 200 M	\$10.00	\$31.00	\$35.00	5AB100F
Zeiss Imager M2 Stereology System	\$10.00	\$31.00	\$35.00	5AB100D

All instruments have a minimal charge time of 15 min. A use less than 15 min will be billed as 15 min.

Publication Acknowledgement

The Molecular Biology Core Facility and Image Analysis Core Facility should be listed in the “Acknowledgments” section of any publication using data generated in the Image Analysis Core Facility and/ or Molecular Biology Core Facility as follows:

“Images were generated in the Image Analysis Core Facility supported in part by TTUHSC.”

and

e.g., “Real-time PCR data were generated in the Molecular Biology Core Facility supported in part by TTUHSC.”
