	<p>“Study as if you were going to live forever; live as if you were going to die tomorrow.”</p> <p>Astronomer Maria Mitchell, who was born 200 years ago, was known for her pithy sayings as an inspirational lecturer and advocate for women in science. (Nature)</p>
<p>Center for Economic Studies 2017 Annual Report</p> <p>Permian Basin Research</p> <p>Home » Research » Odessa</p> <div> <div> Home Research Advisory Committee Research Newsletters TTUHSC at the Permian Basin Research Facebook Clinical Research </div> <div>   </div> </div>	<p>The Center for Economic Studies (CES) of the Census recently completed its 2017 annual report, covering the activities of both the CES and the RDCs. A PDF copy is available at: https://www.census.gov/ces/publications/annualreport.html. This report series provide abstracts of current approved projects, working papers using RDC and are very useful resources for RDC researcher to explore data, learn new development and write proposals.</p> <p>The new TTUHSC at the Permian Basin Research webpage is live at https://www.ttuhsc.edu/research/odessa/. If you notice any information about yourself on the webpage that needs to be updated please contact melissa.waggoner@ttuhsc.edu.</p>

<h1>On the Research Website</h1>	<p>The programs from this year and past year's Research Forums are available on the TTUHSC at the Permian Basin Research website at http://www.ttuhsc.edu/research/odessa/links.aspx</p>
<h2>Funding Available</h2> 	 <p>Announcement Funding Source for TTUHSC Researchers in all Schools</p> <p>The LWB Institute has funded \$2.5 million in grants over the past eight years.</p> <p>Purpose: The Laura W. Bush Institute for Women's Health grant provides seed money to fund novel research unique to women's health that highlights critical issues for women or focuses on the sex and gender differences in etiology, symptomatology and treatment of medical conditions that lead to more personalized medical care.</p> <p>Process: Researchers submitting grants from any Texas Tech University Health Sciences Center School will use the existing grant application process and deadline within their School. Each School will review their grant applications and direct those that are vetted and match the criteria for funding by the Laura Bush Institute to the Laura Bush Institute's Grant Coordinator for final review and funding.</p> <p>Preferable funding considered for grants in women's health with a sex and gender emphasis.</p> <p>Types of funding: Seed grants up to \$25,000 Small grant funding \$ 5,000 - \$10,000</p> <p>For more information: www.LauraBushInstitute.Org</p>
<p>Cathy Lovett August visit dates</p>	 <p>Clinical Research Institute Managing Director, Cathy Lovett will next be at the Permian Basin campus on August 7 and 8.</p>
	<p>The 2019 Permian Basin Research Forum will be held on Thursday, May 2, 2019. We look forward to your ideas and seeing you there and thank you for supporting research at the Permian Basin campus</p>
	<p>For questions or to submit an item for the research newsletter contact: Dr. Natalia Schlabritz-Lutsevich, Associate Regional Dean of Research at natalia.schlabritz-lutsevich@ttuhsc.edu or Melissa Waggoner, Senior Editor at melissa.waggoner@ttuhsc.edu.</p>
