

TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER
Minors in Laboratories Consent/Signature Sheet

Observation/Project Information:

Printed name of Minor _____ DOB of Minor _____

Printed name of PI/Sponsor _____ R# _____ Campus _____

Laboratory room number(s) where observation/project will occur _____

Date(s) of observation/project _____

Personal protective equipment to be used _____

Summary of proposed observation/project including procedure and materials to be utilized:

Sponsor Agreement:

I AGREE TO SPONSOR _____

AND BY MY SIGNATURE BELOW AGREE THAT:

- I have read, understand, and will adhere to all applicable TTUHSC policies and procedures regarding minors in research laboratories or animal facilities.
- Safety Services approval must be granted before the minor may participate.
- Personal protective equipment appropriate for, and specific to, laboratory hazards will be provided.
- This minor will be supervised by the sponsoring PI at all times while in the laboratory and never left alone.
- The minor's hours of work will comply with federal labor standard 29 CFR 570.35 "Periods and Conditions of Employment."
- My laboratory is in full compliance with all applicable TTUHSC safety programs, policies, and regulations.
- I have completed this minor's hazard-specific safety training by doing the following:

Safety Services Approval:

- I have reviewed this application and to the best of my knowledge, all applicable TTUHSC policies and procedures regarding minors in research laboratories or animal facilities have been properly addressed. I have reviewed the following specific requirements:
 - o Personal protective equipment appropriate for, and specific to, laboratory hazards has been identified and provided.
 - o This minor will be supervised by the sponsoring PI at all times while in the laboratory and never left alone.
 - o This minor's hours of work will comply with federal labor standards, 29 CFR 570.35 "Periods and Conditions of Employment."
 - o The hosting laboratory is in compliance with applicable TTUHSC safety programs, policies, and regulations.
 - o The following general and hazard-specific safety training for this minor has been completed:
 - ☐ NESOP, STEPS, or Volunteer Orientation training, as appropriate
 - ☐ Laboratory Safety Essentials training
 - ☐ Radiation Safety Short Course (if minor will be working in a radiation laboratory)
 - ☐ Other applicable hazard-specific safety training (please describe)
