CONFERECE SCHEDULE

7:30 - 7:50  REGISTRATION/BREAKFAST

7:50 - 8:00  Welcome; Opening Remarks
J. Matthew Driskill, MBA (HOM), CMPE  Senior Clinical Department Administrator

8:00 - 9:00  Current Options for Retinal Detachment
Kelly T. Mitchell, MD  Associate Professor
This course will review the diagnostic and treatment options for retinal detachment with a focus on rhegmatogenous retinal detachment.

9:00 – 10:00  Update on Cornea and Refractive Surgery
David L. McCartney, MD  Professor & Chairman, UMC Endowed Chair
This course surveys the scientific literature regarding the most recent topics in refractive and corneal surgery. Discussion includes the pros and cons of various corneal and refractive surgical techniques along with evaluation of published information regarding new techniques.

10:00 – 10:15  BREAK

10:15 – 12:15  Itching To Help: Managing Ocular Allergy in the 21st Century
William D. Townsend, OD  Guest Lecturer
This course opens with a discussion of the possible origins of allergy. It focuses on epidemiology of allergy in general and specifically for ocular allergy. Next, we explore fundamental concepts of inflammatory cells and mediators in the allergic cascade. We discuss diagnostic tests and treatment options (systemic and topical) in managing allergic ocular disease.

We conclude by exploring non-sight threatening and sight threatening allergic eye conditions. We look at advantages and disadvantages of various oral and topical allergy medications in treating ocular allergy. We review established, new and future therapies for these conditions.

12:15 – 1:15  LUNCH

1:15 – 2:15  How to Add Holistic Wellness to Your Primary Care Practice
Michael Dunn, OD  Guest Lecturer
This course presents a template for the primary care practitioner on how to integrate holistic wellness into their practices. What is holistic wellness, why add to your practice, materials to stock, how to order materials and inventory them and how to present holistic wellness to patients are discussed.

2:15 – 3:15  Adult Strabismus – Case Studies
Allan M. Eisenbaum, MD  Associate Professor
Real life case studies of patients with acquired strabismus – including presentation, diagnostic and therapeutic considerations.

3:15 – 3:30  BREAK

3:30 – 4:30  Pigmented Tumors of the Eye
David A. Lewis, MD  Assistant Professor
Real life case studies of patients with acquired strabismus – including presentation, diagnostic and therapeutic considerations.

4:30 – 5:30  Self-Inflicted Contact Lens Problems: The Patient, Technician & Doctor
Charles L. Stockwell, OD  Faculty Associate
The course gives an overview of the in office fitting process for contact lenses from three points of view. It will assist in avoiding, identifying, or correcting problems associated with contact lenses before they become serious.

5:30 – 5:45  CLOSE; EVALUATIONS; ADJOURN
Charity Donaldson, Conference Program Director
CONFERENCE REGISTRATION
Pre-registration is preferred to ensure meeting binder and catering counts, but not required and walk-ins will be welcomed. To register, send the attached registration form with your payment no later than Friday, January 18, 2013.

Notification of registration cancellation must be received by Tuesday, January 22, 2013 to obtain a refund less a $25.00 administrative fee; thereafter no refunds will be made. Refunds will be made by check and take 7 to 10 business days to process.

Confirmation Packets mailed to each registrant will include:
- Registration confirmation letter
- Credit Card Receipt (if applicable)
- Hotel information
- Parking, driving and hotel maps

**COURSE APPROVAL INFORMATION**

**COPE Approved** (For optometrists licensed in New Mexico & other states)
- All eight (8) courses have been approved by COPE for license renewal.
- TTUHSC Department of Ophthalmology is a COPE Qualified Administrator and is required to report COPE qualified CE hours to the ARBO OE Tracker System.
- COPE does not allow PARTIAL HOUR CREDIT. Attendees must be present for the entire COPE course in order to receive credit.

**Texas Optometry Board Approved** (For all optometrists licensed in Texas)
- All eight hours are approved as “diagnostic/therapeutic” hours.
- TTUHSC Ophthalmology will submit all earned hours to TOB for Texas licensed optometrists.

**PLEASE NOTE:**
- Participants must sign in for each hour of lecture to receive credit for that hour.
- Attendees must also complete and submit the provided certificate of attendance.
- Each conference participant will also receive a certificate for their records.
- Participants must be present no later than 5 minutes after the start time for each session

**GRANT AND EXHIBIT ACKNOWLEDGEMENT**

The program planning committee wishes to acknowledge that support of this conference has received from **Optic Blue Precision Lens Laboratory**. Additional support is being sought through exhibits. A list of exhibitors will be provided in the conference syllabus provided to each attendee.

**ADDITIONAL INFORMATION**

Conference dress is business casual and attendees are encouraged to bring a sweater or jacket for comfort during the meeting. Persons with disabilities who may need auxiliary aids or services should contact Charity Donaldson at least one week prior to this conference so that appropriate arrangements can be made. If you have questions regarding the conference, please contact:

Charity Donaldson, Conference Director, at 806-743-9500 x 245 or charity.donaldson@ttuhsc.edu
