PART XII. CONTACT INFORMATION FOR KEY PERSONNEL
STATEMENT OF ACCREDITATION

The Texas Tech University Health Sciences Center (TTUHSC) is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, masters, doctoral, and professional degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of the Texas Tech University Health Sciences Center. The Commission should be contacted only if there is evidence that appears to support the institution’s significant non-compliance with a requirement or standard.

PART I. FOREWORD

A. GENERAL POLICY

As a comprehensive health sciences center, the Texas Tech University Health Sciences Center’s (TTUHSC) mission is to enrich the lives of others by educating students to become collaborative healthcare professionals, providing excellent patient care, and advancing knowledge through innovative research.

TTUHSC has five strategic goals:

- Provide innovative educational programs that prepare students to be competent and caring healthcare professionals and researchers.
- Advance our research portfolio with emphasis on areas of strength and collaboration.
- Improve overall health and access to healthcare for communities in our region through the provision of patient care services and community outreach.
- Create a sustainable, values-based culture.
- Ensure the operations and infrastructure effectively and efficiently support the mission of the institution.

A university, like any community, must have regulations and/or standards by which its members abide and procedures by which its components function. The standards should provide order and an atmosphere conducive to intellectual and personal development. This Student Handbook, TTUHSC Operating Policies and Procedures, and the individual School’s catalogs are intended to serve these purposes in the interest of all components of the TTUHSC.

The TTUHSC has a responsibility to maintain order within the university community and to discipline those who violate its standards, rules, and/or policies. Enrollment requires students to share this responsibility. Students agree to abide by the standards, rules and policies set forth in this Student Handbook, the TTUHSC Operating Policies and Procedures, the individual Schools’ catalogs, and any other official University publications. Registered student organizations must also follow these standards, rules and policies.

The Texas Tech University Health Sciences Center reserves the right to change, modify, amend, or rescind, in whole or in part, the Student Handbook at any time without prior notice. The most recent Handbook supersedes all previous editions. See updates at www.ttuhsc.edu/student-affairs. The provisions of the Handbook do not constitute a contract, express or implied, between any student or faculty member and Texas Tech University System, TTUHSC, or the TTUHSC School of Medicine, School of Health Professions, School of Pharmacy, School of Nursing, or the Graduate School of Biomedical Sciences.
B. TOBACCO-FREE ENVIRONMENT

As a health care institution, TTUHSC is committed to the establishment and enforcement of a tobacco-free environment. TTUHSC OP 10.19, Tobacco-Free Environment Policy, includes regulation and assessment.

According to the United States Surgeon General, tobacco use is the single largest preventable cause of premature death and disability. Tobacco users are at substantially increased risk for a number of cancers, cardiovascular disease, and lung disease. Environmental smoke can cause discomfort and disease in non-smokers. Institutions with smokers suffer from lost productivity, conflict, and plant deterioration.

C. AUTHORITY

The authority to enact and enforce regulations of the University is vested in the Texas Tech University System Board of Regents. The responsibility for enforcing regulations and imposing penalties is delegated to the Chancellor and/or the President of the University and any University official(s) the President designates.

All references to the Chancellor and/or President of the University, the Provost or their designee shall be interpreted to include persons designated to act on behalf of these officials.

D. POLICY ON NON-DISCRIMINATION

The University brings together, in common pursuit of its educational goals, persons of many backgrounds and experiences. The University is committed to the principle that in no aspect of its programs shall there be differences in the treatment of persons because of sex, including pregnancy, race, color, religion, national origin, age, disability, genetic information, status as a protected veteran, or any other legally protected category class or characteristic, and that equal opportunity and access to facilities shall be available to all. The University is committed to providing educational programs, activities, facilities, or services that are free of unlawful discrimination. For more information, see TTUHSC OP 51.01, Equal Employment Opportunity Policy and Affirmative Action Program and TTUHSC OP 51.02, Non-Discrimination and Anti-Harassment Policy, and Part IV of the Student Handbook below.

E. UNIVERSITY NAME, DOCUMENTS, AND RECORDS

The use by any person or organization of the University’s name, in connection with any program or activity, without the prior written permission of the Office of the Vice Chancellor for Institutional Advancement, or any unauthorized use of University documents, records or seal is prohibited. See TTUHSC OP 67.01, Publication Guidelines.

F. DEFINITIONS

1. “Accused Student” is any student accused of violating the TTUHSC Code of Professional Conduct set forth in Part II of this Handbook. This term may also mean an accused registered student organization. If a registered student organization is alleged to have violated the Student Code, only one student from the organization may appear or act on behalf of the student organization (such as appearing before a Student Conduct Board or Student Conduct Administrator) for purposes of the Student Code.

2. “Business Day” is a day in which the University normally carries on business or business operations, but excludes weekends and official University holidays.
3. “Complainant” is a member of the University community who submits a complaint alleging that a student violated the Student Code. When a student believes that he or she has been a victim of another student’s misconduct, the student who believes that he or she has been a victim will have the same rights under the Student Code as are provided to the complainant, even if the victim is not acting as a complainant.

4. “Complaint of Misconduct” or “Complaint” is a formal, written charge against a student(s) or student organization(s) alleging violation(s) of the Student Code(s). An anonymous report or a report by a person who is not a member of the University community shall not constitute a complaint of misconduct. However, such report may initiate an investigation and/or filing of a complaint of misconduct by an appropriate University official.

5. “Conduct Board” – see definition for “Student Conduct Board” (item 22).

6. “Disciplinary Good Standing” is defined as relating to a student not currently on disciplinary probation; or, a student, whose disciplinary suspension, dismissal, or conditions and/or restrictions imposed, if any, have been totally fulfilled in a timely manner.

7. “Faculty member” is any person hired by the University to conduct classroom or teaching activities or who is otherwise considered by University to be a member of its faculty.

8. “Flag” is the indicator placed on a student’s official record which may prevent registration and/or the issuance of a transcript until the student meets the requirements of the University office placing the indicator, as described herein and in the Schools’ catalogs.

9. “May” is used in the permissive sense.

10. “Member of the University Community” is any person who is an enrolled student, faculty, or staff member, University official, any other person employed by the University, volunteer (including high school students), or campus visitors.

11. “Policy” refers to the written regulations, standards, and/or rules of the University as found in, but not limited to: the TTUHSC Student Handbook; School of Nursing Handbook and catalog; School of Medicine catalog; School of Health Professions catalog; School of Pharmacy catalog; the Graduate School of Biomedical Sciences Catalog; and/or the TTUHSC operating policies.

12. “Department Chair” is the individual charged primarily with mentoring and guiding faculty, overseeing department administrative support, and serving as an interface between faculty and the administration of the School and TTUHSC. Matters of student misconduct and academic deficiency that are addressed from faculty/program directors, etc. are referred to the Department Chair, and if not resolved, referred to the appropriate student conduct administrator for each school.

13. “Registered Student Organization” – see definition for “Student Organization” (item 25).

14. “Religious Holy Day” is a holy day observed by a religion whose places of worship are exempt from property taxation under Texas Tax Code § 11.20. Religious Organizations. The term “Religious Holy Day” generally means a day on which the tenets of said religion prohibit class attendance or the completion of specific assignments on designated dates. See Texas Education Code § 51.911. Religious Holy Days.

15. “Representative” is a University official authorized on a case-by-case basis by the Dean of each School to investigate and resolve alleged violations of the Code of Professional Conduct.

16. “School” refers to the School of Medicine, School of Nursing, School of Pharmacy, School of Health Professions, or Graduate School of Biomedical Sciences.

17. “Shall” is used in the imperative sense.

19. “State Law” exclusively refers to the State of Texas.

20. “Student” refers to all persons taking courses at the University, either full-time or part-time, pursing undergraduate, graduate, or professional studies, specifically excluding School of Medicine House Staff. In addition, for purposes of Part II of this Handbook, persons who withdraw or on leave of absence after alleging violating the Code, who are not officially enrolled for a particular term, but who have a continuing relationship with the University, or who have been notified of their acceptance may be considered “students.”

21. “Student Code” refers to the TTUHSC Code of Professional Conduct, which is set forth in Part II of this Handbook. Section D, Misconduct, applies to all students, while Section E, Other Professional and Ethical Standards, applies to students in certain TTUHSC Schools. A student must have applied for admission or be enrolled in the applicable School before a School’s provisions in Section E apply to the student.

22. “Student Conduct Administrator” is the TTUHSC official authorized by the Dean of each School to receive complaints and administer the procedures outlined herein. The Student Conduct Administrator will provide technical assistance and support to the Student Conduct Board and may be present at the Student Conduct Board hearing, but will not be present during the Board’s deliberations. In any case in which the Student Conduct Administrator is the complainant, the Dean or designee of the applicable School will appoint an alternate to serve as Student Conduct Administrator for that case. All persons serving on the Student Conduct Board must acknowledge an ability to serve objectively and shall decline to serve if there is a conflict of interest or an appearance of a conflict of interest with either the accused student or the complainant. When a person declines to serve because of a conflict of interest or appearance thereof, the Dean shall appoint another person with the same or similar faculty/student status as the person declining to serve.

   a. For the Graduate School of Biomedical Sciences, the Student Conduct Board shall be appointed by the Student Conduct Administrator as follows:
      i. One (1) Faculty member from the membership of the Graduate Council, who shall serve as Chair;

e. For the School of Pharmacy, the Student Conduct Board shall be the appropriate Honor Council members pursuant to the School of Pharmacy OP 77.27.

24. “Student Conduct Board Hearing” or “Hearing” refers to an administrative process whereby a student contests the facts upon which charges of inappropriate conduct, violations of the Student Code and/or sanctions resulting from an alleged violation(s) are based. At the hearing, information is presented to the Student Conduct Board in order to determine whether a student’s responsibility related to the alleged violation of the Student Code is valid and appropriate sanctions, if any.

26. “Student Organization” refers to a group of students who have complied with the formal requirements for Texas Tech University Health Sciences Center student organization registration.

27. “University” means Texas Tech University Health Sciences Center (inclusive of all regional sites and their components) or Texas Tech University System.

PART II. CODE OF PROFESSIONAL CONDUCT
(“STUDENT CODE”)

A. GENERAL POLICY

1. An environment in which the privileges of citizenship are protected and the obligations of citizenship are understood fosters freedom of discussion, inquiry, and expression. Accordingly, the University has developed standards of behavior pertaining to students and student organizations.

2. Students and student organizations are subject to disciplinary action according to the provisions of the Student Code and/or any other applicable University rules or regulations.

3. Each student is responsible for becoming familiar with the various regulations of the University and meeting the various requirements outlined below. Written policies are described in University publications such as this Handbook and the Schools’ individual catalogs. Each student, in accepting admission, indicates a willingness to subscribe to and be governed by the rules and regulations of University officials to take such disciplinary action, including suspension, dismissal, or expulsion, as may be deemed appropriate for failure to abide by such rules and regulations.

4. Each student is responsible for their own integrity, and is likewise responsible for reporting possible violations of this Student Code by other students. Faculty and staff are also responsible for reporting violations.

B. DISCIPLINARY JURISDICTION

1. The Student Code shall apply to conduct that occurs on University premises, at University sponsored activities, and to off-campus conduct that adversely affects the professional and ethical standards of each school to which a student is enrolled and/or the missions of the University and/or pursuit of its objectives. On a case-by-case basis, the Dean and their designee of each respective School, in their sole discretion, shall determine whether the Student Code should be applied to conduct occurring off premises.

2. All students are expected to comply with the professional and ethical standards of each school to which they are enrolled and the TTUHSC Student Code. Such compliance shall be implicit upon accepting admission to the University. Each student shall be responsible for their conduct from the time of the application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment. The Student Code shall apply to persons who withdraw after alleged violation of the Code, who are not officially enrolled for a particular term but who have a continuing relationship with the University, or who have been notified of their acceptance.

C. VIOLATION OF LAW AND TTUHSC DISCIPLINE

A disciplinary proceeding may be instituted against a student regardless of whether conduct allegedly violates either the criminal and/or civil law and/or this Student Code (that is, multiple violations may result from the same factual situation) without regard to the pendency or conclusion of civil litigation or criminal arrests or
charges. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil and/or criminal proceedings at the discretion of the Dean of each School. Determinations made or sanctions imposed under the Student Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal and/or civil law defendant.

NOTE: State law will be strictly enforced at all times on all property controlled by the University and is inclusive of all regional sites and its components.

D. MISCONDUCT

Any student or student organization found to have committed the following misconduct is subject to disciplinary sanction(s), condition(s) and/or restriction(s). Misconduct or prohibited behavior includes, but is not limited to:

1. Alcoholic Beverages
   a. The use, possession, sale, delivery, or distribution of alcoholic beverages, except as expressly permitted by University policy or as allowed by law.
   b. Being under the influence of alcohol and/or intoxication except as allowed by law.

2. Narcotics or Drugs
   a. Use, possession, sale, delivery, or distribution of any narcotic, drug, or medicine prescribed to someone else, chemical compound or other controlled substance, or drug-related paraphernalia, except as expressly permitted by the laws of the State of Texas.
   b. Being under the influence of narcotics or drugs, except as permitted by law.
   c. The failure of a drug test, whether required by TTUHSC or any health care facility to which a student is assigned or has any type of patient care, contact, or responsibility.

3. Firearms, Weapons, and Explosives
   a. Use or possession of firearms, ammunition, explosive weapons, illegal knives, and other deadly weapons are prohibited on university property, except as specifically authorized by federal, state, or local laws.
   b. TTUHSC OP 10.30 outlines regulations for the carrying of concealed handguns by licensed holders.

As a health-related educational institution, TTUHSC facilitates a complex composition of activities, which include education, patient care, research, and community engagement. As such, TTUHSC campuses must accommodate the unique needs of diverse stakeholders, including patients, learners of all types, faculty, staff, contractors, and visitors. Within the context of this unique and complex composition, TTUHSC is committed to the following principles for the campus environment:

   i. TTUHSC will comply with all necessary laws and regulatory requirements regarding safety and security on its campuses;
   ii. Within reasonable effort, TTUHSC will create an environment in which all stakeholders can conduct their business with a sense of personal and collective safety and security;
   iii. TTUHSC will communicate safety policies to stakeholders through all appropriate means.

4. Theft, Damage, or Unauthorized Use
   a. Attempted or actual theft of property of the University, students, of members of the University community or campus visitors.
b. Possession of property known to be stolen or belonging to another person without the owner’s permission.

c. Attempted or actual damage to property of the University, University students, members of the University community or campus visitors.

d. Attempted or actual unauthorized use of a credit card, debit card, automated teller machine card, telephone card, and/or personal check; alteration, forgery, or misrepresentation of any form of identification, including, but not limited to, a social security number or driver license number.

a. Physical harm or threat of harm to any person.

   b. Intentional or reckless conduct that endangers the health or safety of any person, including, but not limited to, a member of the University community.

   c. Behavior that disrupts the normal operation of the University, including, but not limited to, a member of the University community; or conduct that otherwise interferes with or creates a hostile or intimidating environment for a member of the University community’s academic pursuits or work environment. Such conduct does not necessarily have to be in violation of the law to violate this section.

   d. **Sexual Misconduct:** Sexual Misconduct is a broad term encompassing all forms of gender-based harassment or discrimination and unwelcome behavior of a sexual nature. The term includes Sexual Harassment, Nonconsensual Sexual Contact, Nonconsensual Sexual Intercourse, Sexual Assault, Sexual Exploitation, Stalking, Public Indecency, Interpersonal Violence, sexual violence, and other misconduct based on sex.

   e. Excessive pressure, threats, or any form of conduct, coercive tactics or mind control techniques used to recruit, initiate, retain or otherwise intimidate a student for membership in an organization.

   f. Actions involving freedom of expression are covered in Parts VII and VIII of this Handbook and governed by O.P. 61.07, Use of TTUHSC Premises and Amplification Equipment.

6. **Gambling, Wagering, or Bookmaking**
   
a. Gambling, wagering, or bookmaking on University premises is prohibited.

7. **Hazing**
   
a. Any intentional, knowing or reckless act directed against a student, occurring on or off campus, by one or more individuals acting alone or collectively, that endangers the mental or physical health or safety of a student for the purpose of pledging or associating, being initiated into, affiliating with, holding office in, seeking, and/or maintaining membership in any organization whose members are, or include, students. Consent or acquiescence by a student or students subjected to hazing is not a defense in a disciplinary proceeding. Hazing includes, but is not limited to:

   i. Any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity;

   ii. Any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;

   iii. Any activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
iv. Any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame, or humiliation, that adversely affects the mental health or dignity of the student or discourages the student from entering or remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to acts described in this subdivision;

v. Any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Penal Code;

vi. Any activity in which a person engages in, solicits, encourages, directs, aids or attempts to aid another, directly or indirectly, in hazing; intentionally, knowingly or recklessly permits hazing to occur; having firsthand knowledge of the planning of a specific hazing incident which has occurred; and fails to report the incident in writing to the specific School’s student affairs office;

vii. Any activity in which hazing is either condoned or encouraged, or actions of any officer or combination of members, pledges, associates, or alumni of the organization commit or assist in the commission of hazing; or,

The challenging party shall with specificity, and clarity detail each reason for such challenge. The burden of proving the impartiality or inability of a Conduct Board member to serve lies solely upon the challenging party. If the challenging party establishes that the challenged member(s) cannot serve with fairness and objectivity such member shall be removed and a substitute will be appointed by the Student Conduct Administrator. If such member is removed the Student Conduct Administrator, may in their sole discretion choose to reschedule the hearing.

   d. **Evidence Submission.** At least ten (10) business days prior to the date scheduled for the Student Conduct Board Hearing, the Complainant and the Accused Student must submit to the Chair of the Student Conduct Board the following information, if applicable. However, if an Accused Student is also the subject of a pending criminal investigation, indictment or charge arising out of the same circumstances, he or she may be allowed to have an attorney serve as their advisor, at their own expense, to participate only in the same manner as any other advisor. If an advisor for the Accused Student is an attorney, an attorney from the Office of General Counsel may attend the Student Conduct Board Hearing on behalf of the University. The University will provide legal counsel for the Student Conduct Board as the Student Conduct Board Chair deems it necessary.

   i. The Complainant and/or the Accused Student is responsible for presenting their own information, and therefore, advisors are not permitted to speak or to participate directly or indirectly in any Student Conduct Board Hearing before a Student Conduct Board. j. **Witnesses.** Members of the Student Conduct Board may question all witnesses, followed by the parties. Questioning by the Complainant and the Accused Student may be limited in the sole discretion of the Chair of the Student Conduct Board for such issues as preserving the civility of the hearing, avoiding redundant and irrelevant questioning, and/or providing for the efficient administration of the Hearing. Witnesses are permitted to attend the Student Conduct Board Hearing only during the time they are providing testimony, they are being questioned by the complainant, the accused or the committee unless the Student Conduct Board Chair, in their sole discretion determines otherwise.

If prior to the hearing the Student Conduct Board anticipates calling additional witnesses, the Board shall notify the Chair of the Student Conduct. The Chair of the Student Conduct Board will then arrange for the voluntary attendance of the witnesses identified by the Student Conduct Board. The Chair of the Student Conduct shall notify the Accused Student and the Complainant of the additional witnesses. No Board members shall have communication with any witnesses, except in the Hearing with the Accused Student and Complainant present.

k. **Procedural Questions.** All procedural questions are subject to the final decision of the Chair of the Student Conduct Board. If a Student Conduct Board has not been appointed, the Student Conduct Administrator will issue a final decision in response to procedural questions.

l. **Deliberations.** Once the Student Conduct Board receives all information, the Student Conduct Board shall adjourn the Hearing to discuss, deliberate and prepare Findings and Recommendations. The
Student Conduct Board will determine by a simple majority (more than half of the votes cast) of members present at a duly called meeting and then vote whether the Accused Student has violated any section of the Student Code which the student is charged with violating. If the Student Conduct Board finds a violation(s) of the Student Code, the Student Conduct Board may also recommend all or any of the sanctions identified in Part II.G below.

m. **Failure to Appear.** The Accused Student is expected to attend and participate in the Student Conduct Board Hearing. If the Accused Student or the Complainant elects not to attend a hearing after appropriate written notice Section II.F.4.b above, the charges will be reviewed as scheduled on the basis of the information available, and a recommendation will be made by the Board. Although no inference may be drawn against an Accused Student for failing to attend a hearing or remaining silent, the hearing will proceed and the conclusion will be based on the evidence presented. No decision shall be based solely on the failure of the Accused Student to attend the hearing or answer the charges.

n. **Findings and Recommendations.** The Chair is responsible to prepare the Student Conduct Board’s Findings and Recommendations in writing. If the Findings and Recommendations are not unanimous, opinion(s) may be written by those who differ with the Majority’s Findings and Recommendations. The Chair will forward the Findings and Recommendations, including differing opinion(s), within ten (10) business days to the Dean, the Student Conduct Administrator, the Accused Student and the Complainant.

o. **Dean’s Review.** The Dean will review the Findings and Recommendations from the Student Conduct Hearing along with the audio recording and supporting documents, and transmit their decision in writing within ten (10) business days from receipt to the Accused Student, the Complainant, the Student Conduct Administrator, and the Chair of the Student Conduct Board. Actions of the Dean are not limited to sanctions recommended by members of the Student Conduct Board. The Dean’s decision shall be final.

p. **Appeal.** Within five (5) business days of receipt of the decision of the Dean, if either party believes that the due process procedures have been violated, an appeal may be made, in writing, to the President of the University. The President will review the case and notify all parties of their decision within five (5) business days. If a written appeal is not submitted within ten (10) business days following receipt of the Dean’s letter, the right to appeal is thereby waived and the Dean’s decision is final.

The Accused Student or Complainant may only raise, and the President shall only consider, the following:

i. Whether a procedural deviation occurred that substantially affected the outcome of the case;

ii. Whether there is new information sufficient to alter the Findings or other relevant facts not available or mentioned in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board Hearing.

iii. The President will review the Findings and Recommendations and, at their sole discretion, the record from the Student Conduct Hearing and supporting documents, and transmit their decision in writing to the Accused Student, the Complainant, the Student Conduct Administrator, the Chair of the Student Conduct Board, and the Dean. The President’s decision shall be final.

The Dean of the School will consider the nature of the misconduct, the impact of the misconduct on the University community, the circumstances surrounding the misconduct, and previous sanctions assigned to others for similar misconduct in determining sanctions. Repeated misconduct may result in more serious sanctions, including suspension or expulsion.

This section shall not prevent the University from complying with any regulatory agency or licensure board requirements regarding the reporting of disciplinary actions and/or student behavior.

*State law mandates that the student’s transcript a) may be withheld pending investigation and b) include a notation regarding ineligibility to return due to disciplinary processes (e.g., withdrawal, dismissal, suspension, expulsion); See TX HB 449 and 1735 (2019).*

4. In situations involving both an Accused Student(s) (or a registered student organization) and a student(s) claiming to be the victim of another student’s conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the Accused Student(s) and the student(s) claiming to be the victim.

If a person is alleged to have violated the Student Code, and Withdraw of Consent also occurs, the procedures set forth in Parts II and III may occur concurrently.

B. CONCURRENCE BY DEAN

1. If the Dean concurs with the Department Chair’s recommendation, the student will have their consent to be in attendance at the University or on University premises withdrawal in writing by the Dean. Texas Education Code § 51.233(a) & 51.234.

2. The written notice by the Dean shall contain all of the following:
   a. That consent to remain on the campus has been withdrawn and the number of days for which consent has been withdrawn, not to exceed fourteen (14);
   b. Name and job title of the person withdrawing consent, along with an address where the person withdrawing consent can be contacted during regular working hours;
   c. Brief statement of the activity or activities resulting in the Withdrawal of Consent; and,
   d. Notification that the student is entitled to a hearing on the withdrawal not later than three (3) days from the date of receipt by the Dean of a request for hearing from the person.

3. Whenever consent is withdrawn by the Dean, the Dean shall submit a written report to the President within twenty-four (24) hours, unless the Dean has reinstated consent for the student. The report shall contain all of the following:
a. Description of the student, including, if available, the student’s name, address, and phone number; and,
b. Statement of the facts giving rise to the Withdrawal of Consent.

C. CONFIRMATION BY PRESIDENT

1. If the President or their designee upon reviewing the written report described above finds that there was reasonable cause to believe that the student has willfully disrupted the orderly operation of the University or university premises, and that their presence on University premises will constitute a substantial and material threat to the orderly operation of the campus or facility, they may enter written confirmation upon the report of the action taken by the Dean. Texas Education Code § 51.236 (b).

2. If the President or their designee does not confirm the action taken by the Dean within 24 hours after the time that consent was withdrawn, the Withdrawal of Consent shall be deemed void and of no force or effect, except that any arrest made during the period shall not for this reason be deemed to have been made for probable cause.

D. HEARING

1. The student, from whom consent to remain on campus has been withdrawn, may submit a written request for a hearing to the President within the fourteen (14) day period of withdrawal. The written request must state the address to which notice of hearing is to be sent.

2. The student shall be entitled to the following procedures in accordance with the Texas Education Code, Sections 51.234 and 51.243.
   a. Hearing Notice. Upon receipt of the request for hearing, the President shall grant the request and immediately mail a written notice of the time, place, and date of the hearing, along with pertinent records, exhibits and written statements to the student. A hearing will be conducted not later than three (3) days from the date that the President receives the request for hearing. The Hearing Committee will be appointed by the President and will be comprised of members from the respective schools other than the accused.
   b. Representation. The student may be represented by counsel. The University will be represented by the Office of General Counsel.
   c. Witnesses. The student, as well as the Department Chair who recommended consent be withdrawn, have the right to call and question witnesses and to cross-examine witnesses at the hearing. Members of the Hearing Committee may also question the witnesses. Witnesses are permitted to attend the Hearing only when they are providing information, unless the Hearing Committee, in its sole discretion, allows otherwise. The student shall be advised of the content of the statements, and the names of the persons who made them, at the hearing.
   d. Evidence. All matters upon which the decision to withdraw consent may be based shall be introduced into evidence at the hearing. The decision to withdraw consent shall be based solely on the evidence presented at the hearing. At least one (1) day prior the date scheduled for the Hearing, the parties must submit to the Chair of the Hearing Committee the following information, if applicable.
      i. All pertinent records, exhibits and written statements (including Impact or Position Statements);
ii. A list of witnesses, if any, who will be speaking on behalf of the accused student or complainant, including a brief summary of the information to be given by each; and,

iii. The name of the advisor, if any, who may be present in an advisory capacity at the hearing.

See Part II.F.4.i.

e. **Procedural Questions.** All procedural questions are subject to the final decision of the Chair.

f. **Recordings.** University shall record, either digitally or through audiotape, or otherwise as deemed appropriate all Hearings until such time that the Hearing Committee begins discussion and deliberation and prepares Findings and Recommendations. Deliberations shall not be recorded. The record is University property.

g. **Appeal to President.** The student may appeal the decision within three (3) days from the date of the decision by sending a written appeal to the President. If the student does not appeal the decision by the hearing committee, the decision is final. The President will review and render a decision within seven (7) days.

h. **Appeal to the Board of Regents.** If the student is not satisfied with the decision by the President, the student may appeal to the Texas Tech Board of Regents by sending a written appeal to the Chairman of the Board of Regents, with a copy to the President, within three (3) days from the date of the President’s decision. If the student does not appeal the President’s decision, the President’s decision is final. If the student appeals to the Texas Tech Board of Regents, the decision by the Board is final.

**A. INTRODUCTION**

This Part IV provides information regarding the University’s response and prevention efforts related to sex discrimination and Sexual Misconduct. In conjunction with Texas Tech University System Regulation 07.10 Non-Discrimination and Anti-Harassment Policy and Complaint Procedure, TTUHSC OP 51.02, Texas Tech University System Regulation 07.06 Sexual Misconduct, and TTUHSC OP 51.03, the policies set forth here apply to all members of the University Community, provide students with their rights and options, and also explain how the University will proceed once it is made aware of allegations of prohibited conduct in keeping with the University’s values and in order to meet the legal obligations of Title IX, the Violence Against Women Act (VAWA), the Campus Sexual Violence Elimination Act (SaVE), the Clery Act, Texas Education Code, 34 CFR Part 106, and other applicable law.
The University expects all members of the University Community to comply with the law. Members of the University Community who violate these policies and laws may be subject to disciplinary action or sanctions, up to and including termination of employment, expulsion from the university, or being barred from University premises and events.

The University does not tolerate discrimination or harassment based on or related to sex (including pregnancy), race, color, religion, national origin, age, disability, genetic information, protected veteran status, genetic information, sexual orientation, gender identity, gender expression, or other protected categories, classes, or characteristics. Texas Tech University System Regulation 07.10 Non-Discrimination and Anti-Harassment Policy and Complaint Procedure, adopted by Texas Tech University Health Sciences Center HSC OP 51.02 applies to all University students and University employees, visitors, applicants for admission to or employment with the University, as well as University affiliates and others conducting business on University campuses.

If a student has a complaint of discrimination or harassment by an employee, whether faculty, staff, or student employee (other than for Sexual Misconduct, which is addressed under Section C below), the provisions relating to the complaint process set forth in Texas Tech University System Regulation 07.10 and TTUHSC OP 51.02 shall apply. Students with such complaints of discrimination or harassment by an employee should contact the System Office of Equal Opportunity (OEO) and/or submit a completed Complaint of Discrimination or Harassment form to OEO, which is available at: https://www.texastech.edu/offices/equal-employment/. While Sexual Harassment, Sexual Assault, and other forms of Sexual Misconduct may constitute prohibited acts of discrimination under this Section B, such behavior is prohibited under TTU System Regulation 07.06 and TTUHSC OP 51.03, as discussed in Section B below.

C. SEXUAL MISCONDUCT

Sexual Misconduct in the TTUHSC community is prohibited pursuant to Texas Tech University System Regulation 07.06 Sexual Misconduct (adopted by TTUHSC as OP 51.03).

1. Separate Policies for Title IX Sexual Misconduct and Non-Title IX Sexual Misconduct

While all Sexual Misconduct is prohibited, in accordance with applicable federal and state law, the University has adopted two distinct policies and grievance procedures for Title IX Sexual Misconduct and Non-Title IX Sexual Misconduct. These policies are available at the following links:

- Texas Tech University System Regulation 07.06.A Title IX Sexual Misconduct; and
- Texas Tech University System Regulation 07.06.B Non-Title IX Sexual Misconduct.

The University Title IX Coordinator will assist those making reports or complaints of Sexual Misconduct with understanding which policy may apply based on the nature, context, and location of the alleged conduct. The Flowchart available here visually depicts the applicability of these two policies and their respective grievance processes. In the event of any conflict between this Student Handbook and System Regulations 07.06.A, 07.06.B, and 07.10, the system regulations will control.

The University Title IX Coordinator oversees the University’s compliance with the Sexual Misconduct policies, including both Title IX and Non-Title IX Sexual Misconduct. The University has also designated a Title IX Deputy Coordinator for employees. Contact information for the Coordinator and Deputy Coordinator is as follows:

2. Title IX Sexual Misconduct

Title IX Sexual Misconduct is governed by Texas Tech University System Regulation 07.06.A. Generally, only sexual assault; stalking; dating violence; domestic violence; *quid pro quo* conduct; and conduct that is severe, pervasive, and objectionably offensive will constitute Title IX Sexual Misconduct, and be governed by such policy. The procedure for reporting and filing a formal complaint of Title IX Sexual Misconduct, and the grievance process for addressing such complaints, is set forth in System Regulation 07.06.A. The provisions of the remainder of this Section C may not apply to reports and complaints of Title IX Sexual Misconduct. The University’s Title IX Coordinator will assist students in navigating these policies.

All other forms of Sexual Misconduct are addressed pursuant to the Non-Title IX Sexual Misconduct policy, set forth in this Student Handbook and governed by System Regulation 07.06.B.

3. Non-Title IX Sexual Misconduct

All Sexual Misconduct that does meet the threshold of Title IX Sexual Misconduct will proceed under the Non-Title IX Sexual Misconduct policy set forth in this Student Handbook.

All investigations and procedures under this policy will be conducted in a reasonably prompt timeframe and in an equitable and impartial manner. Investigations conducted hereunder are not criminal investigations. For all complaints, the burden of proof shall be a preponderance of the evidence, which means more likely than not.

The Title IX Coordinator or designee will investigate complaints of Sexual Misconduct by or between students. The Texas Tech University System Office of Equal Opportunity (Office of EO) will investigate complaints of Sexual Misconduct by or between employees. Student complaints of Sexual Misconduct by an employee will be investigated jointly by the Title IX Coordinator or designee and the Office of Equal Opportunity.

Students with complaints of Sexual Misconduct by an employee should contact the Title IX Coordinator or Office of Equal Opportunity, and/or utilize the online reporting tool available on the University’s website at [www.ttuhsc.edu/title-ix/default.aspx](http://www.ttuhsc.edu/title-ix/default.aspx). Students with complaints of Sexual Misconduct by a student or student organization should contact the Title IX Coordinator and/or utilize the online reporting tool available on the University’s website at [www.ttuhsc.edu/title-ix/default.aspx](http://www.ttuhsc.edu/title-ix/default.aspx).

Individuals wishing to remain anonymous can report Sexual Misconduct in any manner, including by telephone or written communication, with the University Title IX Coordinator or Office of Equal Opportunity. However, electing to remain anonymous may greatly limit the University’s ability to investigate an alleged incident, collect evidence, and/or take effective action against individuals or organizations accused of violating the TTUHSC Sexual Misconduct policies.

4. Employees are Mandatory Reporters

Pursuant to Texas law, all employees, including student employees, who in the course and scope of employment, witness or receive information regarding the occurrence of an incident that the employee reasonably believes constitutes Sexual Misconduct and is alleged to have been committed by or against a person who was a student enrolled at or an employee of the University at the time of the incident shall promptly report the incident to the University’s Title IX Coordinator or Deputy Title IX Coordinators. An Employee is required to report an incident regardless of where or when the incident occurred. Failure to report
Sexual Harassment, Sexual Assault, Dating Violence, or Stalking is a violation of state Texas that shall result in termination of employment and may result in criminal penalties.

Reports by mandatory reporters must include all information concerning the incident known to the Reporting Party, including the involved parties’ names, regardless of whether the Complainant has expressed a desire for confidentiality; however, the Reporting Party may also state whether the Complainant has expressed a desire for confidentiality.

Disclosures to a healthcare provider, mental health care provider, or other medical provider acting in the course and scope of their employment with the University are not subject to the foregoing mandatory reporting requirements and are considered Confidential Resources. These employees are encouraged to provide students or employees with information and guidance regarding University reporting options and available resources but absent consent from the Complainant, disclosures to a healthcare provider, mental health care provider, or other medical provider acting in the course and scope of their employment with the University shall only state the type of incident reported and may not include any information that would violate an expectation of privacy.

5. Making a Report

Any individual may inquire or make a report or complaint of Sexual Misconduct of any kind. Any person may submit a report in person, by mail, by phone, by email, or by online form, using the contact information set forth in Section 1 above, or by any other means that results in the University’s Title IX Coordinator or System Office of Equal Opportunity receiving the verbal or written report. Such a report may be made at any time (including during non-business hours) by using the phone number or email address, or by mail to the office address. Persons other than Employees wishing to remain anonymous may do so by submitting a report in an anonymous manner; however, electing to remain anonymous may limit the ability to investigate an alleged incident, collect evidence, and/or take effective action against individuals accused of violating the University’s Sexual Misconduct policies.

While not required, students are strongly encouraged to report any incident of Sexual Misconduct to the University, including incidents in which the student was a victim. Students may also report incidents of Sexual Misconduct to law enforcement, including on-campus and local police. Complainant may choose to notify law enforcement and will be provided the assistance of the Title IX Coordinator if the individual wishes. Parties may also choose not to notify law enforcement of incidents of Sexual Misconduct. A student who experiences sexual or dating violence is encouraged to seek medical care for treatment and preservation of evidence, if applicable, as soon as possible after the incident. Preserving DNA evidence can be key to a sexual violence case. Students can undergo a sexual assault forensic exam (SAFE) performed by a sexual assault nurse examiner (SANE) to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, a SANE may still collect evidence up to 4 days following a sexual assault. With the examinee’s consent, the physical evidence collected during this medical exam can be used in a criminal investigation.

Anyone who experiences any form of Sexual Misconduct should also preserve other evidence relevant to the incident reported, such as items of clothing, photographs, phone records, text messages, social media activity, computer records, and other documents.

6. Confidentiality

TTUHSC is committed to ensuring confidentiality during all stages of a grievance process. The confidentiality of the Complainant, the Respondent, the Reporting Party, any individuals who have sought guidance about this policy or have participated in an investigation or incident will be honored by the University to the extent possible without
compromising the University’s commitment and obligation to investigate allegations of misconduct, to protect the University Community, and to the extent allowed by law. Unless waived in writing by the individual, the identity of aforementioned individuals:

a. Is confidential and not subject to disclosure under Chapter 552, Government Code; and

b. May be disclosed only to:

   1. University Employees or individuals under contract with the University to which the report is made who are necessary for an investigation of the report or other related hearings;
   2. a law enforcement officer as necessary to conduct a criminal investigation of the report;
   3. a health care provider in an emergency, as determined necessary by the University;
   4. the Respondent, to the extent required by other law or regulation; and
   5. potential witnesses to the incident as necessary to conduct an investigation of the report and to the extent required by other law or regulation.

In some exceptional circumstances, where the incident in question presents a continuing threat to the University Community, the University may be required to investigate irrespective of the Complainant’s desire to pursue allegations of Sexual Misconduct, and may be required to issue a “timely warning” to the campus community as required by the Clery Act. Timely warnings do not include personally identifiable information of involved parties.

However, because the University also has an obligation to maintain an environment free of sex discrimination and Sexual Misconduct, all University employees have mandatory reporting and response obligations and may not be able to honor a Complainant’s request for confidentiality. The Title IX Coordinator or designee will evaluate requests for confidentiality. The willful and unnecessary disclosure of confidential information by anyone, including the Complainant or Respondent, may affect the integrity of the investigation.

Students may make confidential reports to the TTUHSC Counseling Center. Complainants may also make confidential reports to licensed clinical and/or mental health professionals acting in their professional role of providing those services, including medical providers employed by the University. Information may be shared by the clinical and/or medical provider only with the Complainant’s or Respondent’s consent.

Absent consent from the Complainant, disclosures to a healthcare provider, mental health care provider, or other medical provider acting in the course and scope of their employment with the University shall only state the type of incident reported and may not include any information that would violate an expectation of privacy. These Employees are encouraged to provide Complainants with information and guidance regarding University reporting options and available resources.

7. Interim and Supportive Measures

The University may take immediate action to eliminate hostile environments and address any effects on the Complainant and community prior to the initiation of any Investigation and/or formal Grievance Process. These measures will be taken to minimize the burden on the Complainant while respecting due process rights of the Respondent. Supportive Measures for involved students may include, but are not limited to, counseling services, medical assistance, modifications to on-campus housing, modifications to parking permissions, academic support referrals, modifications to academic or work situations, instituting a No Contact Order between the parties in a complaint, and reporting criminal behavior to the Texas Tech Police Department or local law enforcement agencies. Additionally, the University may pursue Emergency Removal, altering the University status of the Respondent. Supportive Measures may be implemented and will be evaluated on a case-by-case basis. Supportive Measures may be kept in place through the conclusion of any review, investigation, resolution, or appeal process. Supportive Measures can be implemented regardless of whether or not the Complainant pursues a Formal Complaint or criminal action. The Title IX Coordinator is available to help students understand the Grievance Process and identify resources. Remedies may be implemented after a determination regarding responsibility in the Grievance Process to restore and preserve equal educational opportunities to the Complainant.

a. **Supportive Measures.** Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to a Complainant or Respondent. The range of Supportive Measures available includes, but is not limited to: separation or modification of Complainant and Respondent’s academic or working situations; mutual restrictions on contact; one-way restrictions on contact, where justified by the specific facts and circumstances; permissive withdrawal from or retake of a class without penalty; counseling; extensions of deadlines or other course-related adjustments; campus escort services; leaves of absence; increased security and monitoring of certain areas of campus; or any other similar measures tailored to the individualized needs of the parties. Consistent with Texas law, a Complainant or Respondent who is the subject of an alleged incident of Title IX Sexual Misconduct will be allowed to drop a course in which they are both enrolled without any academic penalty. Supportive Measures may be kept in place through or beyond the conclusion of any review, investigation, or appeal process and may be implemented regardless of whether Complainant files a complaint of Sexual Misconduct.

b. **No Contact Order.** When initial inquiry indicates persistent and potentially escalating conflict between members of the University Community, a No Contact Order may be issued as a remedial, non-punitive deterrent to further conflict or situational complication. A No Contact Order will be issued by the Title IX Coordinator via the student’s official TTUHSC email. The notice serves as an official directive that the student(s) have no contact with the other listed parties. Contact cannot occur in person, by telephone, email, text message or other electronic means of communication, or through a third party (other than an attorney). Should contact need to occur, the student should coordinate with the Title IX Coordinator. This notice may also come with other information related to changes in class schedule or other restrictions to facilitate the No Contact Order. Failure to comply with the No Contact Order may result in disciplinary action, including possible suspension or expulsion. Violations of No Contact Orders may also result in Emergency Removal pending the completion of a Grievance Process. The term of a No Contact Order is one year from the date of issuance, or the graduation of one or both parties, whichever comes first.

c. **Emergency Removal.** The University may conduct an individualized safety and risk analysis to determine if an individual poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Misconduct that justifies removal. Where the University finds that a Respondent poses an immediate threat to the physical health or safety of any student or individual, the
University may remove the Respondent prior to the conclusion of the Grievance Process to protect the safety of the University Community where an immediate threat exists. The University shall provide the Respondent with notice and an immediate opportunity to challenge the decision in writing to the Title IX Coordinator immediately following the removal.

Through an Emergency Removal, a student may be denied access to the University’s campus, facilities, and events. This restriction may include classes and/or all other University activities or privileges for which the student might otherwise be eligible. At the discretion of the Title IX Coordinator or designee and with the approval of, and in collaboration with, the appropriate Dean(s), alternative coursework options may be pursued to ensure as minimal an impact as possible on the Respondent.

Emergency Removal is not a sanction. It is taken in an effort to protect the safety and well-being of the Complainant, Respondent, and/or other members of the University Community. Emergency Removal is preliminary in nature; it is in effect only until the Grievance Process has been completed. However, violations of Emergency Removal may result in additional allegations of this Student Handbook. A student who receives an Emergency Removal may request a meeting with an Appeals Officer or designee to challenge an Emergency Removal. Regardless of the outcome of this meeting, the University may still proceed with an Investigation and adjudication.

d. **Non-Student Supportive Measures.** TTUHSC, in conjunction with the Texas Tech Police Department, may issue a Criminal Trespass to any individual(s) or guest of the University whose presence could significantly disrupt the normal operations of the University, or who is alleged to have violated University policies and/or is deemed to pose a threat to the physical and/or emotional well-being of a student or other members of the University Community.

8. **Student Rights and Responsibilities**

Prior to the formal investigative process, a student will be provided a Student Rights and Responsibilities document. This document will be reviewed and signed by the student prior to an interview. The Student Rights and Responsibilities document informs the student of their rights to be exercised before and during the Grievance Process.

Subject to applicable law, information gathered by the University during the course of the Investigation and Grievance Process may only be shared with faculty, staff, students, and/or advisors who are directly involved in the incident or necessary to the Grievance Process. Information gathered may also be disclosed in compliance with a judicial order or lawfully issued subpoena.

Involved parties have the right to, and are encouraged to, be accompanied by an advisor of the individual’s choosing during all meetings, proceedings, and/or disciplinary hearings at which the individual is present. In Non-Title IX Sexual Misconduct Hearings, the role of the advisor will be limited to advising only and will not be allowed to actively participate in the Hearing. CARE Coordinators may also attend any meeting or Hearing in addition to the student’s advisor.

9. **Amnesty**

a. Subject to the exceptions noted below, the University will not take any disciplinary action against a student enrolled at the University who in good faith reports to the University being the victim of, or a witness to,
an incident of Sexual Harassment, Sexual Assault, Interpersonal Violence, or Stalking for a violation by the student of this Student Handbook, occurring at or near the time of the incident, regardless of the location at which the incident occurred or the outcome of the University’s disciplinary process regarding the incident, if any.

b. The University reserves the right to investigate to determine whether a report of an incident of Sexual Harassment, Sexual Assault, Interpersonal Violence, or Stalking was made in good faith. After such investigation, the Title IX Coordinator or their designee will make a determination as to whether a student is entitled to amnesty. Once a determination is made regarding amnesty for a student, such determination is final and may not be revoked.

c. Notwithstanding the forgoing, amnesty does not apply to a student who reports the student’s own commission or assistance in the commission of Sexual Harassment, Sexual Assault, Interpersonal Violence, or Stalking.

d. Although students eligible for amnesty may avoid disciplinary action under these amnesty provisions, amnesty does not preclude the University from encouraging students to participate in directives such as counseling or educational opportunities relating to the conduct students were engaged in.

e. Abuse of these amnesty provisions by a student may result in a violation of this Student Handbook. The amnesty provisions do not impact criminal proceedings or charges, mandatory reporting to state licensing boards, legal actions, or actions required to comply with professional ethic requirements.

10. Interference with an Investigation

Any person who knowingly and intentionally interferes with a Grievance Process conducted under this Student Handbook is subject to disciplinary action up to and including dismissal or separation from the University. Interference with a Grievance Process may include, but is not limited to:

- Attempting to coerce, compel, influence, or prevent an individual from providing testimony or relevant information;
- Divulging confidential information;
- Removing, destroying, or altering documentation relevant to the investigation;
- Providing false or misleading information to the investigator, or encouraging others to do so; or
- Making a report under this policy that, after investigation is found not to have been made in good faith.

11. Retaliation and False Information

Retaliation against an individual who reports a potential violation in good faith under this policy, assists someone with a report of a violation, or participates or refuses to participate in any manner in an investigation or in the resolution of a complaint made under this policy is strictly prohibited and will not be tolerated. Retaliation includes, but is not limited to threats, intimidation, coercion, discrimination, reprisals, or adverse actions related to an individual’s employment or education. The University will take appropriate steps to ensure that an individual who, in good faith, reports, complains about, or participates or refuses to participate in an investigation pursuant to this policy will not be subjected to retaliation. Individuals who believe they are experiencing retaliation are strongly encouraged to report the incident to the Title IX Coordinator using the same procedure outlined in this section.

Individuals who are found to have retaliated under this policy will be subject to disciplinary action, up to and including termination of employment, expulsion from the University, or being barred from University premises and events.
An individual found to have knowingly and in bad faith provided false or malicious information may be subject to disciplinary action up to and including dismissal or separation from the University. A determination that a Respondent is not responsible for allegations of Sexual Misconduct does not imply information provided was false. Similarly, a determination that a Respondent is responsible for a policy violation does not imply that a Respondent’s statements disclaiming responsibility were false.

D. GRIEVANCE PROCESS FOR NON-TITLE IX SEXUAL MISCONDUCT

This Section D sets forth the Grievance Process for Non-Title IX Sexual Misconduct. The process for Title IX Sexual Misconduct is set forth in System Regulation 07.06.A. The University Title IX Coordinator will assist parties in determining which process applies to the particular alleged conduct.

1. Intake and Initial Inquiry
Upon receipt of a report of Sexual Misconduct, the Title IX Coordinator, or designee, will review the allegations. As reported allegations of Sexual Misconduct have varying degrees of complexity and severity, the investigation and resolution procedures described below may vary. The Title IX Coordinator or designee will inquire, gather, and review information and will evaluate the accuracy, credibility, and sufficiency of the information received. If a formal complaint is not filed, the Title IX Coordinator may nonetheless conduct an investigation if the University learns of alleged Sexual Misconduct through other means depending on the source and nature of the information provided, the seriousness of the alleged incident, the specificity of the information, the objectivity and credibility of the source of the report, whether any individuals can be identified who were subjected to the alleged Sexual Misconduct, and whether those individuals want to pursue the matter.

The Title IX Coordinator may conduct an initial meeting with the Reporting Party and/or Complainant to gather additional information regarding the allegation; inform him/her of on and off-campus resources, procedural options, and the University’s policy regarding retaliation; and to determine safety, security, or other interim measures. Additional meetings may be necessary depending on the complexity of the reported allegations.

Incidents will not be investigated unless there is reasonable cause to believe a policy has been violated. Reasonable cause includes some credible information to support a policy violation. If it is determined that an investigation will be conducted, the Respondent will be given notice of the complaint and an opportunity to respond. If it is determined that an investigation will not be conducted, the Title IX Coordinator may contact the Respondent to discuss the reported concern.

When a Complainant is reluctant, and/or refuses to participate in the investigation process, the Title IX Coordinator may investigate the allegations to the fullest extent possible given the information made available. The University will make every attempt to follow the wishes of the Complainant while protecting the University Community.

2. Filing a Formal Complaint
A Formal Complaint is a document signed by a Complainant or the Title IX Coordinator alleging Sexual Misconduct against a Respondent requesting that the University investigate the allegation(s) of Sexual Misconduct. While incidents may be reported by any third party, only the Complainant or Title IX Coordinator may initiate the Grievance Process through the Formal Complaint. A Formal Complaint is also required for any individuals wishing to pursue an Informal Resolution.
When a Formal Complaint is filed, the Title IX Coordinator provides written notice to the Respondent with sufficient time for the Respondent to prepare a response before an initial interview. The Notice of Formal Complaint includes information about the Grievance Process, the Informal Resolution Process, the allegations and any details known at the time, such as the name of the Complainant, the location, date and time of the alleged incident(s), and the specific section(s) of the policy that the Respondent is alleged to have violated. The Complainant also receives a copy of the Notice of Formal Complaint.

3. Review of Formal Complaints
When a Formal Complaint is received, the Title IX Coordinator will evaluate jurisdiction and mandatory and discretionary dismissal described below, assess appropriate Supportive Measures for both parties, evaluate the need for Emergency Removal, and initiate the Grievance Process.

Mandatory and Permissive Dismissal. The Title IX Coordinator shall dismiss a Formal Complaint of Non-Title IX Sexual Misconduct in the following situations: (1) the allegation describes conduct that would not constitute Non-Title IX Sexual Misconduct as defined, even if proven; or (2) the Respondent is not a member of the University Community. The Title IX Coordinator may dismiss a Formal Complaint in the following situations: (1) the Complainant notifies the Title IX Coordinator in writing that they wish to withdraw the Formal Complaint or some allegations in the Formal Complaint; (2) the Respondent is no longer enrolled in or employed by the University; or (3) circumstances exist that prevent the University from gathering sufficient evidence to reach a determination as to the Formal Complaint or the allegations.

Application of Other Policies Upon Dismissal. If the Title IX Coordinator dismisses a Formal Complaint or any of the allegations in the Complaint, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the Complainant and Respondent. Dismissal of a Formal Complaint does not preclude action under other policies, such as Title IX Sexual Misconduct.

Appeal of Dismissal Decision. Any party can appeal the dismissal decision following the criteria and procedures listed below under Appeal Procedures.

Right to Consolidate Complaints. The University may consolidate Formal Complaints as to allegations of Sexual Misconduct: (1) against more than one Respondent, (2) by more than one Complainant against one or more Respondents, or (3) by one party against the other party, where the allegations of Sexual Misconduct arise out of the same facts or circumstances.

4. Investigation Process
If the Title IX Coordinator or designee conducts an investigation of the reported allegation, the investigation may consist of the review of the complaint, any relevant documentation, and interviews with relevant individuals. Each party will be given the opportunity to share information regarding the allegation, as well as any response to such, and identify witnesses and other relevant evidence. The extent of the investigation and its procedures will be determined by the Title IX Coordinator. During the investigative process, it is expected that the Complainant and the Respondent will cooperate with the University in providing all information or evidence that they believe should be considered. Additionally, other administrators may be consulted to assist with the investigation.

Prior to an investigative interview, the Complainants and Respondents will be provided a student rights and responsibilities document to review and sign. The student rights and responsibilities document informs the student of their rights to be exercised before and during the course of the investigation and student conduct process.
Information gathered during the course of the investigation and student conduct process may only be shared with faculty, staff, students, and/or advisors who are directly involved in the incident or necessary to the student conduct process. Information gathered may also be disclosed in compliance with a judicial order, lawfully issued subpoena, or otherwise required by law.

During the Investigation, the burden of proof and burden of gathering evidence sufficient to reach a determination regarding responsibility is on the University and not on the parties. Complainants and Respondents are encouraged to present witnesses and evidence, including fact and expert witnesses, and other inculpatory and exculpatory evidence that they believe should be considered. The University will make all reasonable efforts to obtain relevant information such as surveillance video footage, University card swipe access and other information that may be available to the Institution. The University cannot obtain information that is protected by a legally recognized privilege without the party’s voluntary written consent. The University shall not access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, therapist/mental health professional, or other professional/paraprofessional providing treatment to the party, unless the party gives voluntary written consent.

After the investigation is complete, the Title IX Coordinator will prepare a written investigation report. Complainants and Respondents will have access to the completed investigation report and/or investigative materials relevant to the allegation(s) after the formal investigative process has concluded. In order to protect confidentiality, Complainants and Respondents are not given copies or investigation reports and/or investigative materials, but will have an opportunity to inspect and review any evidence obtained as part of the Investigation that is directly related to the allegations raised in the Formal Complaint.

Withdraw During a Formal Complaint. In accordance with state law, if a student withdraws or graduates from the University pending a Formal Complaint alleging the student violated the Student Code of Conduct by committing sexual harassment, sexual assault, dating violence, or stalking, the institution:

- May not end the disciplinary process or issue a transcript to the student until the institution makes a final determination of responsibility; and
- Shall expedite the institution’s disciplinary process as necessary to accommodate both the Respondent’s and Complainant’s interest in a speedy resolution.
- On request from another institution, the University shall provide to the requesting institution information relating to a determination that a student enrolled violated the institution’s Student Code of Conduct by committing sexual harassment, sexual assault, dating violence, or stalking.

Should students not participate in the Investigative Process, the Grievance Process may continue without their participation. The Investigator may assign allegation(s) to the Respondent based on the information that the Investigator collected without the student’s participation, if appropriate.

5. Resolution Process
Options for resolving Formal Complaints under the Grievance Process include:

- **Informal Resolution.** Prior to the formal Hearing, either the Complainant or the Respondent may make a request, either orally or in writing, for informal resolution to the Title IX Coordinator. The Title IX Coordinator will assess the severity of the alleged harassment and the potential risk of a hostile
environment for others in the University Community to determine whether informal resolution may be appropriate. Mediation will not be used to resolve complaints of Sexual Assault and Interpersonal Violence.

Upon determining that informal resolution is appropriate, the Title IX Coordinator will consult further with the person initiating the request, inform the other party, and gather additional relevant information from the parties and others as useful to assist in the informal resolution process. The Title IX Coordinator may also put in place any appropriate interim measures to protect the educational and work environment of the parties and the University Community.

The University will not compel the Complainant or Respondent to engage in mediation, to directly confront the other party, or to participate in any particular form of informal resolution. Participation in informal resolution in voluntary, and the Complainant and Respondent have the option to discontinue the informal process at any time and request a formal investigation. If at any point during the informal resolution process, the Complainant, the Respondent, or the University wishes to cease the informal resolution process and to proceed through the formal resolution process, the informal resolution process will stop and the formal resolution process outlined in this of the Student Handbook below will proceed.

b. **Administrative Resolution.** At any point in the student conduct process, if the Respondent accepts responsibility for the alleged violations of policy, the Parties may choose to resolve the issue through the Administrative Resolution process outlined below. The Administrative Resolution process is voluntary.

The Title IX Coordinator will, in consultation with the appropriate University dean, or if the allegation involves a student organization, the appropriate University staff member advisor of the organization, review the complaint and information gathered about the reported Sexual Misconduct, and if applicable, propose findings and specify appropriate sanctions. The Title IX Coordinator will send written notice to both the Complainant and the Respondent of the proposed findings and sanctions. The Parties will have five (5) business days to review the Administrative Resolution and decide whether they would like to accept or decline the proposed findings and recommended sanctions. Agreement with the terms of the Administrative Resolution is established by one of the two following ways:

i. A signature, or an electronic signature, by a Party or the Parties attesting to agreement with the findings and sanctions; or

ii. No written objection by the Complainant or the Respondent to the findings and sanctions within five (5) business days of the date the proposed findings and recommended sanctions were sent to the Parties.

If both the Complainant and the Respondent agree with the proposed findings and recommended sanctions, the matter is considered concluded. Additionally, if accepted, the Parties waive their right to a hearing, the process ends, the finding is final, and there is no appeal. The complaint will only be reopened if new material, previously unavailable is presented.

If either Party disagrees with or does not accept the proposed findings and/or recommended sanctions, then the complaint will proceed, and a hearing will take place.

c. **Hearing.** See Section E below for Hearing Procedures.
6. Sanctions
A Hearing Officer or a Hearing Panel may impose sanctions as a result of an Informal Resolution, or formal hearing, when a student is found responsible. Implementation of the disciplinary Sanction(s) will begin when the time period to file an appeal has expired or when the appeal decision has been sent to the parties.

Both the Complainant and Respondent will be simultaneously notified of the Appeal Officer’s decision and Sanctions as appropriate. When sanctions are final, appropriate University Administrators may be notified of the student’s sanctions. Findings and Sanctions agreed upon through the Informal Resolution are final and cannot be appealed.

All records related to the disciplinary process will remain on file with the Title IX Coordinator for a minimum of seven (7) years from the date the case is completed through an Informal Resolution, formal hearing and/or the Appeal Procedures. All records related to the Grievance Process resulting in suspension and/or expulsion will remain on file indefinitely.

If a student is found responsible for violating the University Sexual Misconduct policies, sanctions may be imposed and can include, but are not limited to the following:

a. **Disciplinary Reprimand.** The Disciplinary Reprimand is an official written notification using the notice procedures outlined in this section to the student that the action in question was Misconduct.

b. **Disciplinary Probation.** Disciplinary Probation is a period of time during which a student’s conduct will be observed and reviewed. The student must demonstrate the ability to comply with University policies, rules, and/or standards and any other requirement stipulated for the probationary period.

c. **Time-Limited Disciplinary Suspension.** Time-Limited Disciplinary Suspension is a specific period of time in which a student is not allowed to participate in class, University related activities, or be present on campus property. The status of Disciplinary Suspension will be shown on the student’s academic record, including the transcript. Disciplinary Suspension is noted on the student’s transcript by the phrase “Disciplinary Suspension” and will include the period of time in which the student is/was suspended from the University. In most instances, the notation of Disciplinary Suspension will remain on the transcript permanently. A student has the ability to petition to remove a Disciplinary Suspension notation in the following instances: 1) the student is eligible to reenroll in the institution or 2) the Title IX Coordinator or designee determines that good cause exists to remove the notation. A Disciplinary Suspension of a student will indicate the date on which the suspension period begins and the earliest date the application for student readmission will be considered. The Title IX Coordinator or designee may deny a student’s readmission, if the student’s Misconduct during the suspension would have warranted additional disciplinary action. If the student has failed to satisfy any Sanction that was imposed prior to application for readmission, the Title IX Coordinator or designee may recommend denial of readmission of a student. On denial of a student’s readmission, the Title IX Coordinator or designee will set a date when another application for readmission may again be made. An administrative hold will be placed on the student’s record to prevent registration during the Disciplinary Suspension.

d. **Disciplinary Expulsion:** Disciplinary Expulsion occurs when the student is permanently withdrawn and separated from the university. This status of Disciplinary Expulsion will be shown permanently on the student’s academic record, including the transcript. Disciplinary Expulsion is noted on the student’s
transcript by the phrase, “Expulsion” and the date in which the student’s expulsion became effective. In most instances, the notation of Disciplinary Expulsion will remain on the transcript permanently. A student has the ability to petition to remove a Disciplinary Expulsion notation in the following instances: 1) the student is eligible to reenroll in the institution or 2) the Title IX Coordinator or designee determines that good cause exists to remove the notation. An administrative hold will be placed on the student’s record to prevent future registration.

7. Appeal Procedures
Either the Complainant or Respondent may appeal the decision, or the sanction(s), condition(s) and restriction(s) imposed by the Hearing Officers by submitting a written appeal to the Provost or their designee within three (3) business days of receiving the written decision. The appeal must clearly set forth the grounds for the appeal, together with the evidence upon which the appeal is based. A disagreement with the decision alone shall not constitute grounds for appeal. The only proper grounds for appeal and the only issues that may be considered on appeal are as follows:

   a. A procedural irregularity that affected the outcome of the matter;

   b. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;

   c. The Title IX Coordinator, Investigator(s), or Hearing Panel Members had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter; or

   d. The sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions.

The appeal process is initiated upon a party’s filing of a written appeal within three (3) University business days after University’s delivery of the written decision regarding responsibility. The written appeal must be filed with the University’s Title IX Coordinator or System Office of Equal Opportunity, as directed in the written determination regarding responsibility, and the party’s written appeal must set forth the grounds for the appeal and any supporting information.

Upon the filing of a written appeal, University will give written notice of the filed appeal to the non-appealing party. The non-appealing party will have three (3) University business days after University’s delivery of the written notice to respond to the appeal.

The Provost or their designee will review the appeal to determine if the appeal is timely and properly sets forth the appropriate grounds for appeal. If any of these requirements are not met, the appeal will be dismissed, and the original decision of the Hearing Officers will be final. If the grounds for an appeal are determined proper by the Provost or their designee, the Title IX Coordinator will provide the request for appeal to the other party and provide opportunity for response. Any responses must be provided to the Provost or their designee within five (5) business days after receiving a copy of the request for appeal.

If the Provost or their designee determines that a procedural [or substantive] error occurred that significantly impacted the outcome of the hearing, they may order a new hearing. If a new hearing is ordered, all hearing procedures in will be followed. The Title IX Coordinator will notify the Complainant and Respondent of the outcome within five (5) business days of the decision of the Hearing Officers. The decision of the Hearing Officers is final and may not be appealed.
If the Provost or their designee determines that new evidence should be considered, they may return the complaint to the original Hearing Officers to reconsider the new evidence or may order a new hearing. If new evidence is considered, the Hearing Officers may increase, decrease, or otherwise modify the findings, sanctions, conditions, and/or restrictions. The Title IX Coordinator will notify the student of the outcome within five (5) business days of the decision of the Hearing Officers. The decision is final and may not be appealed. If a new hearing is ordered, all hearing procedures will be followed. The Title IX Coordinator will notify the Complainant and Respondent of the outcome within five (5) business days of their decision. The decision of the Hearing Officers is final and may not be appealed.

If the Provost or their designee determines that the sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions, they may then increase, decrease or otherwise modify the sanctions, conditions, and/or restrictions instead of returning the case to the original Hearing Officers or ordering a new hearing. If the Provost or their designee makes a decision regarding the sanctions, conditions, and/or restrictions without returning the case to the original Hearing Officers, they will notify the student in writing of the outcome within five (5) business days of their decision. The decision of the Provost or their designee is final and cannot be appealed. If the Provost or their designee returns the case to the original Hearing Officers, the Hearing Officers may increase, decrease, or otherwise modify the findings, sanctions, conditions, and/or restrictions. The Title IX Coordinator will notify the student of the outcome within five (5) business days of their decision. The decision of the Hearing Officers is final and may not be appealed. If a new hearing is ordered, all hearing procedures in Part IV, Section C(3)(e), will be followed. The Title IX Coordinator will notify the Complainant and Respondent of the outcome within five (5) business days of their decision. The decision of the Hearing Officers is final and may not be appealed.

In those cases, in which the error cannot be cured by the original Hearing Officers (i.e., some cases of bias), the Provost or their designee may order a new hearing with a new panel of Hearing Officers.

After the findings(s) and sanctions become final and all appeals, if any, are exhausted, the Complainant shall be advised that if the complained activity persists, they should contact the Title IX Coordinator. Likewise, in the event the Complainant believes retaliation for filing a complaint has taken place, they should contact the Title IX Coordinator.

The Title IX Coordinator will follow up with the Complainant within sixty (60) calendar days after conclusion of the matter to ensure that the complained of behavior has ceased.

E. NON-TITLE IX SEXUAL MISCONDUCT HEARING PROCEDURE

This Section E sets forth the Hearing Procedure for Non-Title IX Sexual Misconduct. The Hearing Procedure for Title IX Sexual Misconduct is set forth in System Regulation 07.06.A and its Attachment 2.

1. Prehearing/Formal Allegations Assigned

Once the investigation is complete, if the complaint is not otherwise resolved, the Complainant and the Respondent will be given notice of a pre-hearing meeting. Should the Complainant or the Respondent not participate in the pre-hearing meeting, the conduct process may continue without their participation through resolution. During this meeting, the Complainant and the Respondent will be given the opportunity to review the investigation report, relevant evidence, and other documents to be used in the hearing. Other documents may include Complainant’s
allegations, list of potential Hearing Officers, and hearing script. Following the pre-hearing, the Complainant and the Respondent will be notified of a date, time, and location of the hearing.

While the Complainant and the Respondent may identify errors in their own statements during the pre-hearing, they are not able to add additional information to the investigation report unless that information, in the judgment of the Title IX Coordinator, was unavailable during the investigative process and is pertinent to the complaint. If a Complainant or Respondent discovers new, previously unavailable information during the time after the pre-hearing but before the hearing, the party should inform the Title IX Coordinator immediately. If the new information is pertinent to the consideration of the complaint, the Title IX Coordinator will determine whether the new information should be included in the investigation report or presented verbally during the hearing. If there is new evidence introduced, the Complainant and the Respondent will be given the opportunity to provide a response to any such evidence that will be presented in the hearing.

The Title IX Coordinator or designee will schedule the hearing no sooner than five (5) business days from the date of the last pre-hearing meeting. The five-day period can be waived by the Title IX Coordinator with agreement by the involved Parties.

2. Hearing
After notice has been given to the Complainant and the Respondent, the University may proceed to conduct a hearing and render a finding of Responsible or Not Responsible for the Respondent’s alleged misconduct and, in the event of a responsible finding, decide appropriate sanctions, conditions, and/or restrictions. The Provost or their designee shall appoint a panel of three (3) Hearing Officers to conduct the hearing. All persons serving as Hearing Officers shall be oriented and trained to adjudicate a Sexual Misconduct case in accordance with this Student Handbook. If there is a conflict of interest, or appearance thereof, with one of the selected Hearing Officers, that person will recuse themselves and the Provost or their designee shall appoint another person to the panel. Additionally, both the Complainant and the Respondent may raise issues of conflicts of interest with regard to the potential Hearing Officer panel to the Provost or their designee within three (3) business days after notice has been given to the Parties of the panel members. The Provost or their designee will weigh these issues and resolve them accordingly. No party has a right to disqualify a Hearing Officer panel member absent a demonstrated bias.

The hearing may be held and a decision or recommendation made, regardless of whether the Complainant or the Respondent fail to respond or fail to attend the hearing. Should the Complainant or the Respondent fail to respond or fail to attend the hearing, the Hearing Officers may consider the available information and render a decision.

Hearings are closed to the public. Both the Complainant and Respondent have the right to be present at the hearing; however, they do not have the right to be present during the deliberation of the Hearing Officers. Arrangements can be made so that Complainant and Respondent do not have to be in the hearing room at the same time. To request changes in the scheduled hearing time, the parties should contact the Title IX Coordinator not less than five (5) business days prior to the scheduled hearing.

During the hearing, the Title IX Coordinator or designee presents the allegations, investigation report, evidence, witnesses, and questions for deliberation in the hearing. The Hearing Officers may question the Title IX Coordinator, Title IX Investigator, Complainant, Respondent, and any witnesses. The Complainant and Respondent do not have the right to question each other nor witnesses directly but may do so through the Title IX Coordinator or designee. The Complainant and Respondent have the right to add or make additional comments about the facts of the complaint. Should new evidence be presented without prior discussion with the Title IX Coordinator, the hearing
may be halted to consider the inclusion of this information. Impact statements will also be halted if they are shared prior to the sanctioning phase of the hearing. In the event the Hearing Officers remove a student due to misconduct in the hearing process, the alleged misconduct in the hearing process will be forwarded to the appropriate student conduct administrator, who will follow the conduct process in Part II of this Student Handbook.

Following the hearing, the Hearing Officers will deliberate and will render a finding of responsible or not responsible for the Respondent’s alleged misconduct as well as decide any sanctions, conditions and/or restrictions if applicable. Any findings of the investigation will be based upon a preponderance of the evidence, which means more likely than not. The Hearing Officers will inform the Complainant and the Respondent in writing within five (5) business days of their decision(s).

Either the Complainant or Respondent may utilize the Appeal Procedures.

F. PREGNANCY

Discrimination based on pregnancy is a form of discrimination based on sex. Women affected by pregnancy, childbirth, or related medical conditions shall be treated the same for all educational opportunities as other persons not so affected but similar in their ability or inability to participate in education programs or activities.

If a pregnant or parenting student feels that they require flexibility or an accommodation in order to be successful at TTUHSC, it is the student’s obligation to make the request initially through their appropriate school’s student affairs personnel. Students requesting a pregnancy or parenting related accommodation should do so as soon as they become aware that an accommodation may be needed. If the student and school are unable to come to a mutually agreeable decision in relation to reasonable flexibility and adjustments, the student should contact the TTUHSC Title IX Coordinator. The Title IX Coordinator will consult with the student and school administrator(s) to begin the interactive process and ultimately, reasonable flexibility and adjustments will be determined.

If a student disagrees with the determination and/or proposed accommodation after engaging in the interactive process, the student may file a complaint with the Title IX Coordinator.

In certain situations, if there is a medical condition due to pregnancy, it may be protected under the Americans with Disabilities Act (ADA), entitling the student to a reasonable accommodation. Accommodation requests due to pregnancy-related complications should be directed to Student Disability Services.

PART V: STUDENT RECORDS

A. GENERAL POLICY

Policies and procedures concerning student records are based on respect for the privacy of the individual. To minimize the risk of improper disclosure, academic records are maintained separately from disciplinary records. (During the time of disciplinary suspension or expulsion, the notice is placed in the student’s permanent file.) The conditions for access to each are set forth in the Student Handbook and complies with federal and state statutes and with registered student organization guidelines. The procedures set forth below apply to all persons formerly or currently enrolled at Texas Tech University Health Sciences Center.
B. ADDRESS OF RECORD

Students must maintain an accurate permanent address with the Office of the Registrar. The address is used for official notifications including billing and notification of official university requirements. Students should maintain a current local address and telephone number that is used by university officials, and/or student organizations and the campus community. Students may update their contact information at www.webraider.ttuhs.edu via their MyTech tab.

C. STUDENT ACCESS TO EDUCATIONAL RECORDS

All current and former students of the university have the right to access their educational records as provided by law. Notification of Rights under FERPA for Postsecondary Institutions the Family Educational Rights and Privacy ACT (FERPA) afford eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day Texas Tech University Health Sciences Center receives a request for access. A student should submit to the Office of the Registrar a request by completing and submitting HSC OP 77.13 Attachment B that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

   a. Generally, if the Education Record is covered under FERPA, the student may inspect or review the education record at the Office of the Registrar, but does not have the right to receive copies of the education record unless a student is effectively prevented from onsite inspection or review of their education record. The student may then have a right to receive copies of the education record at the student’s expense after evaluation of the circumstances by the Office of the Registrar.

   b. Official copies of academic records or transcripts will not be released for students who have a delinquent or unpaid financial obligation to the University, have a “hold” at the University, or have an unresolved disciplinary action pending at the University, provided that applicable law does not otherwise require disclosure of the records.

2. The right to provide written consent before the university discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Texas Tech University Health Sciences Center in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the Texas Tech University Health Sciences Center who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing their tasks. A school official has a legitimate educational interest if the official needs to
review an education record in order to fulfill their professional responsibilities for the Texas Tech University Health Sciences Center.

3. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Texas Tech University Health Sciences Center to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

   Family Policy Compliance Center, U.S. Department of Education, 400 Maryland Avenue, SW Washington, DC 20202

4. A student may waive the right of access to confidential letters of recommendation in the areas of admissions, job placement and receipt of awards.

5. Personally identifiable information such as rank in class, personal conduct, grade point average, academic progress, etc., shall not be released to non-authorized personnel without the written consent of the student.

D. RECORDS NOT ACCESSIBLE TO STUDENTS

The following are records not accessible to students:

1. Records of instructional, administrative and educational personnel that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record;

2. Records of the Texas Tech Police Department, subject to the provisions of 34 C.F.R. 99.8;

3. Records relating solely to an employee of TTUHSC in their capacity as an employee that are not available for any other purpose, unless the Student is employed as a result of their status as a Student;

4. Student medical and counseling records created, maintained, and/or used only in connection with providing medical treatment or counseling to the Student, that are not disclosed to anyone other than the individuals providing the treatment; and

5. Alumni records or other records that contain information about an individual after they are no longer a Student at that agency or institution (e.g., information gathered on the accomplishments of alumni).

E. DISCLOSURE OF EDUCATIONAL RECORDS

FERPA permits the disclosure of PII from students’ education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. Texas Tech University Health Sciences Center may disclose PII from the education records without obtaining prior written consent of the student:

1. To other school officials, including faculty, within Texas Tech University Health Sciences Center whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31 (a)(1)(i)(B)(1) – (a)(1)(i)(B)(2) are met. (§99.31 (a)(1))
2. To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of §99.34. (§99.31 (a)(2))

3. To authorized representatives of the U. S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal-or-State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31 (a)(3) and 99.35)

4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31 (a)(4))

**F. STUDENT’S REQUEST TO AMEND RECORDS**

Students have the right to request an amendment of their educational records and information directly relating to them. This section does not include procedures for students challenging individual grades. Grade appeal and grievance procedures are set forth in the individual Student Handbooks for each School and the TTUHSC.
Student Handbook/Code of Professional Conduct. The request is limited to inaccurate, misleading or otherwise inappropriate records and information. The procedures set forth below shall be followed to amend the records.

1. Student who believes that their Education Records are inaccurate or misleading, or that the records violate their privacy rights, must first request an informal discussion regarding the questionable item with the Office of the Registrar, who may or may not honor the request.

2. If the result of the informal discussion with the Office of the Registrar is not satisfactory to the Student, and the Student still wishes to have the record corrected, the Student should submit a Student Request to Amend Education Records form HSC OP 77.13 to the Assistant Provost or their designee. The request shall clearly identify the part of the record the Student believes should be changed, and specify why it should be changed, i.e., why the Student believes the record is inaccurate, misleading or in violation of their privacy rights. [Note: The substantive judgment of a faculty member regarding a Student’s work, expressed in grades or evaluations, is not within the purview of the right to seek amendment of Education Records under this section. This section does not include procedures for Students challenging individual grades. Grade appeal and grievance procedures are set forth in the individual Student handbooks for each School and the TTUHSC Student Handbook/ Code of Professional Conduct.]

3. After receiving the written request from the Student for a change in their Education Records, the Assistant Provost or their designee shall request, and the Office of the Registrar shall provide, a written statement that explains why the request for the change in the Education Record was denied at the informal stage. After reviewing the request by the Student and the response of the Office of the Registrar, the Assistant Provost for Student Affairs or designee will provide written notification to the Student whether or not TTUHSC will implement the change. If not, the Assistant Provost for Student Affairs or designee will notify the Student of the right to a hearing to challenge the information believed by the Student to be inaccurate, misleading, or in violation of the Student’s rights.

4. Upon receiving a written request from the Student for a hearing, the Assistant Provost for Student Affairs or designee shall arrange for a hearing and provide written notice to the Student reasonably in advance of the date, time and place of the hearing. The hearing will be conducted according to the following procedures:
   a. The hearing shall be conducted by a hearing official or committee appointed by the President or designee. Such individual(s) must have no direct interest in the outcome of the case and shall decline to serve if a conflict of interest, or an appearance of a conflict of interest, exists with either the Student or the Office of the Registrar.
   b. At least five (5) days prior to the date scheduled for the hearing, the Student and the Office of the Registrar, shall submit to each other, as well as to the hearing official or committee, any and all pertinent documents and a list of witnesses and advisors who are to be involved in the hearing process. The Student may, at their own expense, be assisted or represented by one or more individuals of their own choice, including an attorney. If the Student has an advisor, the Office of General Counsel shall represent the University. The Student and the Office of the Registrar are each responsible for presenting relevant information. Therefore, the advisors and/or attorneys for the Parties are not permitted to speak or participate directly in the hearing.
   c. At the hearing, the Student shall have the opportunity to present evidence to support their position that the content of the relevant educational record is inaccurate, misleading and/or otherwise in violation of the privacy rights of the Student.
   d. Any additional information regarding the hearing procedures will be provided to the Student
when notified of the right to a hearing.
e. Within seven (7) business days after the conclusion of the hearing, the hearing officer or chair of the hearing committee, if applicable, will transmit the decision in writing to the Student, the Office of the Registrar, and the Assistant Provost for Student Affairs or designee. The decision must include a summary of the evidence and the reasons for the decision. If, as a result of the hearing, the hearing official or committee determines that the information in the Education Record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the Student, the Student will be notified of the right to place a statement in the record contesting the information in the record or stating why the Student disagrees with the decision of the agency or institution, or both. Any statement provided by the Student shall be maintained with the contested portion of the record for as long as the record is maintained. In the event the contested portion of the record is later requested, the statement shall be disclosed with the record to the extent it pertains to the contested portion.

PART X. MISCELLANEOUS POLICIES

A. MISCELLANEOUS POLICIES

Policies and procedures for certain items, including, but not limited to, academic advisement, academic review, appeals, attendance in academic courses, auditing courses, clinical attire, grades, promotions/dismissal, grievance procedures, and student employment may be referenced in the various Schools’ student handbooks and/or catalogs.
1. **Absences.** Please refer to the individual School’s catalogs and/or handbooks for more specific details relating to your program.

2. **Academic Requirements.** Academic requirements vary with each TTUHSC School and particular degree program in which the student is enrolled. Students should consult with their respective School’s academic/program advisor and/or School’s catalog for specific details.

3. **Admissions and Applicants.** The educational policies of the TTUHSC are founded upon the regulations of the Board of Regents of the Texas Tech University System. TTUHSC is an upper-level, graduate, and professional study institution. The application and admissions policies for TTUHSC are outlined in the individual Schools’ catalogs. Most programs at TTUHSC have a deadline for receipt of applications and supporting documents. These deadlines vary by program and application year. Applicants are advised to contact the program to which they are seeking admission for specific deadline dates.

4. **Adding and Dropping Courses.** Consult with your academic department for deadline dates for adding and/or dropping courses. Students should make an appointment with their advisor to complete appropriate documentation. Students dropping a course to the point of zero hours of enrollment are considered to be withdrawing from the School’s program. Please refer to the individual Schools’ catalogs and/or handbooks for more specific details relating to your program.

5. **Affiliation.** The Student Government Association is the official organization representing students. Students may identify with off-campus programs and activities as individuals, but not as representatives of the student body.

6. **Attendance.** The faculty member responsible for the course determines attendance requirements for each course. A student who fails to attend any class for any reason is responsible for the material presented in class, assignments, examinations, announcements, etc. to the same extent as though the student had attended the class. Please refer to the individual School’s catalogs and/or handbooks for more specific details relating to your program.

7. **Bacterial Meningitis**
   a. **General.** Meningococcal disease is a potentially life-threatening infection caused by the bacterium Neisseria meningitidis. Bacterial meningitis is an inflammation of the membranes that surround the brain and spinal cord. This disease affects approximately 3000 Americans each year, including 100-125 people on college campuses, leading to 5-15 deaths per year among college students.
   b. **Risks and Exposures.** The organism is spread from person-to-person through the exchange of respiratory and throat secretions such as coughing and kissing. Sharing cigarettes, water bottles, eating utensils and food, may increase your exposure. Resident Hall-style living may also play a role as crowded environments facilitate the spread of the infection.
   c. **Symptoms and Diagnosis.** Early diagnosis is important. Your healthcare provider may use a combination of clinical symptoms and laboratory tests to diagnose the disease. Seek medical attention immediately if one or more of these symptoms appear:
      i. High fever
      ii. Severe Headaches
      iii. Vomiting
      iv. Light sensitivity
      v. Stiff neck
vi. Nausea
vii. Lethargy
viii. Seizures
ix. Confusion and sleepiness
x. Rash or purple patches on skin

d. Possible Treatment and Consequences If NOT Treated. Antibiotic treatment may be effective if exposure and disease is detected early. Possible consequences of the disease, include, but are not limited to:
   i. Permanent brain damage
   ii. Kidney failure
   iii. Learning disability
   iv. Gangrene
   v. Coma
   vi. Convulsions
   vii. Hearing loss
   viii. Blindness
   ix. Limb damage that may require amputation
   x. Death

e. Prevention. Vaccinations may be effective against 4 of the 5 most common bacterial types that cause 70% of the disease in the United States. Vaccinations typically take 7-10 days to become effective, with protection lasting 3-5 years. The vaccination is generally safe—most common side effects may include redness and minor pain at the injection site for up to two days.

f. Information. If you have more questions contact:
   i. Your healthcare provider
   ii. Your local or regional Texas Department of Health
   iii. TTUHSC Family Practice Clinic at 806-743-2757
   iv. Visit these web sites for more information - [http://www.cdc.gov/ncird/dbd.html](http://www.cdc.gov/ncird/dbd.html) or [www.acha.org](http://www.acha.org)

8. Required Immunizations. In order to protect the health of our students and the health of the patients with whom they come in contact, TTUHSC requires all entering students to provide documentation of all immunizations as listed below. Immunization requirements are based on regulations, guidelines and recommendations available as of October, 2012 from the Texas Administrative Code (TAC), Texas Department of State Health Services (DSHS), the U.S. Centers for Disease Control and Prevention (CDC), and the U.S. Advisory Committee for Immunization Practices (ACIP). The meningitis requirement must be sent in immediately and all other requirements must be met prior to orientation. The student is responsible for all associated costs.
   a. Medical and Religious Exemptions. [Texas Administrative Code (TAC) §97.62](http://www.tac.state.tx.us) describes the conditions under which individuals can seek exemptions from Texas immunization requirements. Exclusions from compliance are allowable on an individual basis for medical contraindications, active duty with the armed forces of the United States, and reasons of conscience, including a religious belief.
   b. A person claiming exclusion for reasons of conscience, including a religious belief, from a required immunization may only obtain the affidavit form by submitting a request (via online form, mail, fax or hand-delivery) to the department. The request must include following information:
      i. Full name of student
ii. Student’s date of birth (month/day/year)
iii. Complete mailing address, including telephone number
iv. Number of requested affidavit forms (not to exceed 5).
c. View the Request for Exemption from Immunizations for Reasons of Conscience for written requests.
d. Affidavit form requests will be processed and mailed within one week from the receipt of the request. If additional information is needed in order to process the affidavit, you will be notified.
e. The vaccine exemption forms for reasons of conscience including a religious belief are only for students claiming a vaccine exemption for the first time after 9/1/03. If you’ve submitted a religious exemption prior to 9/1/03, you are grandfathered under the old law and do not need a new form.

10. Exposure Management. Institutional management of exposure to: (1) blood-borne pathogens, (2) body fluids and, (3) other miscellaneous exposures is based on regulations, guidelines and recommendations available as of October 2012 from the Texas Administrative Code (TAC), Texas Department of State Health Services (DSHS), the U.S. Centers for Disease Control and Prevention (CDC).

11. Working with Affiliated Entities-Student Drug Screenings, HSC OP 77.15
   a. For purposes of this policy the term “Student” does not include residents in the Schools of Medicine or School of Pharmacy.
   b. Background
      i. TTUHSC enters into affiliation agreements with various health care clinical entities (“Affiliated Entities”), such as hospitals and other facilities, in order to provide clinical experience opportunities for its students enrolled in TTUHSC clinical education programs.
      ii. Affiliated Entities may establish more stringent standards for students who wish to do a clinical rotation at the affiliated entity, than those required by TTUHSC as part of its admission process. Affiliated Entities may require students, among other things, to undergo and satisfactorily pass additional background checks and/or drug screenings as a pre-requisite to participating in a clinical rotation at the Affiliated Entity.
      iii. Clinical rotations are an essential element in certain degree programs’ curricula. Students who cannot participate in clinical rotations due to a positive drug screening may be unable to fulfill the requirements of a degree program. TTUHSC schools may NOT mandate this requirement for all students. It applies solely to those students who must fulfill the requirement for participation in a clinical rotation at an Affiliated Entity.
   c. Clinical Placement
      i. Placements at Affiliated Entities for clinical rotations will be based on the learning objectives as defined by each program consistent with the learning objectives of each student. Determination of unacceptable results of a drug screening will be made by the Affiliated Entity. Any student placed with an Affiliated Entity that requires additional background checks and/or drug screens, who cannot meet these requirements, must
discuss all available options with their School’s Office of Student Affairs or their designee.

ii. Affiliated entities may conduct their own drug screening. If the student fails the drug test and is consequently denied externship placement, s/he shall be subject to disciplinary action in accordance with the TTUHSC policies.

d. **Responsibility of the School.** The student’s school shall:

   i. Notify the student of the Affiliated Entity’s requirements for a drug screen, to include the type(s) of drug screen required by the Affiliated Entity, deadlines to meet the Affiliated Entity’s requirements, a list of approved drug screen testing vendors, and a completed Authorization, Attachment “A,” for signature by the student.

   ii. Receive the student’s drug screen test results, which shall be maintained in a confidential, locked file separate from the student’s primary educational records.

   iii. Notify and ensure the Affiliated Entity that all students prior to their clinical rotation have met their drug screening requirements.

e. **Responsibility of the Student**

   i. The student shall pay for the cost of any and all drug screening required by an Affiliated Entity that is designated for student matriculation by TTUHSC provided articles b, c, d, below are met. The student shall be responsible for the cost of any necessary re-test or subsequent tests at TTUHSC designated Affiliated Entity(s) and any drug screening required by an Affiliated Entity selected for matriculation by the student.

   ii. The student shall complete the drug screen prior to the deadlines provided by the School and meet the guidelines of the Affiliated Entity. Failure to complete the drug test prior to the deadlines may result in an additional expense to the student, and/or delay in, or denial of, rotation in the Affiliated Entity.

   iii. The student shall use a drug screen vendor from the designated vendors provided to the student by their School and/or the Affiliated Entity. 1) Results from a vendor NOT on designated by the School and/or Affiliated Entity will not be accepted and the student shall be required to have the drug screening test(s) conducted by an approved vendor.

   iv. The student will be required to sign a valid consent and authorization, Attachment “A,” consenting to the drug screening and giving the vendor performing the test permission to provide the drug screen test results to the person designated by the School to receive student drug screen tests results under this policy.

f. **Student Refusal to Consent to Drug Screen.** Any student who fails or refuses to consent to a drug screen required by an Affiliated Entity to which the student has been assigned by their School shall be subject to disciplinary action in accordance with the TTUHSC Student Handbook/Code of Professional and Academic Conduct, the Schools’ written policies, if any, and this policy.

g. **Period of Validity – Drug Screen Results**

   i. Unless otherwise required by an Affiliated Entity, drug screen test results will generally be valid for the time the student is in the program within the School unless there is a break in enrollment, defined as not enrolled for one full semester.

   ii. Students may be required to undergo drug screening more than once depending on the requirements of each Affiliated Entity in which the student is placed to meet their learning objectives or the number of Affiliated Entities at which the student is placed.
h. **Drug Screen Results**
   i. **Diluted Specimen.** Should the vendor report that the screening specimen was diluted, thereby precluding an accurate drug screen test, the student, at their expense, will be required to complete and successfully pass a new drug screen test.
   ii. **Negative Drug Screen Results.** The School which receives a student’s drug screen test results, may release negative drug screen test results to the student, provided the student has signed the appropriate release form, Attachment A.
   iii. **Positive Drug Screen Results**
       1. A positive drug screen is any instance in which a drug screen report shows a positive test for one or more of the drugs on the panel required by the Affiliated Entity.
       2. Any student with a positive drug screen will not be placed in any clinical facility pending review and outcome of appeal with the vendor.
       3. The student has the right, at their expense, to request an independent review of any positive drug screen, by an independent Medical Review Officer, provided by the vendor. There will be an additional charge if review by the Medical Review Officer is requested, and the student is responsible for all costs related to this review.
       4. Any appeal based on a positive drug screen is solely between the student, the Medical Review Officer and the vendor. The student’s School will not become involved in the appeal of a positive drug screen.
       5. If, after review by the independent Medical Review Officer, there is no valid medical basis which would cause or contribute to the positive drug screen, the test results will stand, at which point the student will be referred to the School’s Office of Student Affairs for disciplinary action in accordance with this policy and the School’s written policies.

i. **Confidentiality of Records.** Drug screening reports and all records pertaining to the results are considered confidential information with restricted access to the extent allowed by law.

j. **Re-admission**
   i. Any student who is withdrawn due to a positive drug screen without medical validation will only be eligible for readmission to any TTUHSC program of study in accordance with the School’s readmission policies.
   ii. If accepted for readmission after the required period of time, the student must, at their own expense, provide a negative drug test and satisfactory documentation of completion of any remedial action required by the School.

k. **Right to Change Policy.** TTUHSC reserves the right to change, modify, amend or rescind this policy in whole, or in part, at any time.

12. **Credit by Exam.** Specific credit by examination policies may be found in each of the Schools’ catalogs and/or student handbooks; however, the School of Nursing does not offer Credit by Exam. Pass or fail grades earned on examinations for these courses will not be considered in determining grade-point averages. TTUHSC Schools may elect not to accept credit by examination, where it is determined that such academic achievement may hinder the success on national licensure exams/certifications.

13. **Disabilities (Students).** Reference TTUHSC OP 77.14. TTUHSC complies with the American with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1973, and state and local requirements regarding
students with disabilities. Under these laws, no otherwise qualified individual with a disability shall be
denied access to or participation in services, programs and activities of TTUHSC solely on the basis of the
disability.
   a. Students with grievances related to discrimination on the basis of a disability should review the
      Student Handbook, Part IV* Anti-Discrimination. The grievance process would include the
      Director of Student Disability Services.
   b. Any student seeking accommodations on the basis of disability must apply for services as a
      qualified student with Student Disability Services and provide supporting documentation of a
      disability.

14. **Discrimination/Equal Opportunity**. No person shall be excluded from participation in, denied the benefits
    of, or be subject to discrimination under any program or activity sponsored by TTUHSC on any basis
    prohibited by applicable law, including but not limited to, race, color, national origin, religion, sex, veteran
    status or disability. Grievances related to discrimination on the basis of race, religion, national origin or
    age should be pursued through regular administrative channels. Academic problems are to be handled in
    the academic administrative structure culminating in review by the individual School’s Dean. The
    individual Schools as noted in their Schools’ catalogs should direct non-academic student matters to HSC
    Student Affairs. For more information, visit [https://www.ttuhsc.edu/hsc/op/op51/op5101.pdf](https://www.ttuhsc.edu/hsc/op/op51/op5101.pdf), *Equal

15. **Employment Grievance**. A student wishing to pursue a grievance concerning employment with the
    University and who has not found satisfaction or resolution with their immediate supervisor or the person
    in charge of that department may contact the Office of Equal Employment Opportunity in accordance
    with the grievance procedures outlined in the TTUHSC OP 70.10, *Non-faculty Employee Complaint and
    Grievance Procedures*. The procedures manual may be reviewed in the Office of Equal Employment
    Opportunity.

16. **Exams**. Please refer to the individual School’s catalogs for more specific exam details relating to your
    program. Any student seeking exam accommodations on the basis of disability must apply for services as a
    qualified student with Student Disability Services and must provide supporting documentation of
disability. Appropriate and reasonable accommodations, if any, will be determined by Student Disability
    Services.

17. **Financial Policies**. Students must meet all financial responsibilities due the University. The writing of
    checks on accounts with insufficient funds, the non-payment or delinquent payment of outstanding loans,
    and failure to meet any other financial obligations to the University, are considered a lack of financial
    responsibility. Financial irresponsibility can subject the student to action by TTUHSC, including, but not
    limited to, denial of registration, withholding of grades and transcripts and possible adjudication under
    the Code of Professional and Academic Conduct. In addition, failure to meet financial obligations to the
    University may result in:
   a. Cancellations of the student’s registration if tuition and registration fees are not paid by the 12th
      class day and 20th class day (4th class day and 15th class day in summer), or if a returned check
      given in payment of tuition and fees is not redeemed by that time;
   b. Loss of University check writing privileges and possible criminal prosecution for writing
      insufficient fund checks and for failure to pick up a returned check;
c. A flag placed on a student’s academic records preventing future registration (before registering or requesting a transcript, students may check on the presence of flags on their records by contacting the Office of the Registrar); and/or,
d. Reporting of financial problems to a credit agency or a collection agent.

18. Grades/Grading
a. The instructor assigned to a course has the responsibility for determining a grade and for judging the quality of academic performance.
b. The processing of formal appeal procedures is the responsibility of the School which administers the course. A copy of the grade appeal procedures may be found in the individual Schools’ catalogs and/or handbooks. A student must file a formal written appeal within 3 days of the beginning of the next semester in accordance with the individual Schools’ policy regarding student grade appeals. A grade can be formally appealed only when there is demonstrable evidence that prejudice, arbitrary or capricious action on the part of the instructor has influenced the grade. The burden of proof that such an unfair influence has affected a grade rests with the student who appeals the grade. Only final course grades may be formally appealed to the responsible academic dean. Earlier grades and other academic grievances may be discussed with the instructor involved and with the chair of the department or division involved. After a degree has been posted, no further adjustments can be made on the record except under extraordinary circumstances as determined by the Dean of the School the student is enrolled under.

19. Graduation Procedures
a. Degree requirements are published in the individual School’s catalogs.
b. Prior to graduation, all candidates for TTUHSC degrees are required to:
   i. Complete all graduation requirements set forth by the applicable School;
   ii. Complete and return to the Office of the Registrar the University’s Graduation Application form in the semester before anticipated graduation (the student’s “diploma name” as requested in the Graduation Application form is printed on their diploma, and information provided by the student is used in commencement programs);
   iii. Be registered in the semester the certificate or degree is to be conferred unless the student is granted an exception by the dean of their school;
   iv. Attend an Exit Interview session scheduled by the Student Financial Aid Office for students who have received financial assistance, which must be repaid after graduation.

20. Health Services and Health Insurance Information
a. The Texas Tech Physicians Family & Community Medicine clinic provides health services to TTUHSC students who are currently enrolled and have paid the Student Health Fees as part of tuition and fees. To receive health services, you must present a Student I.D. card at the time of the appointment. If you also have private insurance in addition to Student Health Services, you will need to submit your receipt for the co-pay to your insurance company for reimbursement.
   i. The Student Health Fee covers only those services provided by the Family & Community Medicine clinic and specific laboratory and radiology service performed at cooperating locations. All other charges incurred are your responsibility.
b. Clinic Procedures. Please call to make an appointment. If you need to be seen for a sudden illness, please call that day as early as possible. If you need to be seen after clinic hours, call your campus’s clinic phone number and ask to leave a message for the on-call physician. When you check in, please inform the receptionist that you are a TTUHSC student. If you come to the clinic
without an appointment, it may be necessary for you to wait for a physician. Immunizations, paper work, and routine procedures are not ordinarily considered urgent care, and may not be taken care of on the same day as requested. If you have a health emergency that requires you to be seen at a hospital emergency room, go to the hospital listed for your campus under “Clinic Locations.” Visits to an emergency room that generate a charge from either TTUHSC or the hospital are your responsibility.

c. If the student receives a bill from the Health Sciences Center for services covered by the medical service fees, please contact the Office of Student Life at (806) 743-2300.

d. **Students who are required to have hospitalization insurance coverage for each semester enrolled should be prepared to provide proof of coverage at the time of registration.**

e. TTUHSC will make available information on student health insurance providers for all registered students in the University. Students may investigate other insurance plans. Insurance information can be found on the Office of Student Life, www.ttuhsc.edu/student-services.

21. **Interprofessional Education.** All TTUHSC students, regardless of school affiliation, will be required to complete the IPE Core Curriculum prior to graduation. The IPE Core Curriculum is composed of two components including successful completion of a non-credit online course (>70% accuracy on all knowledge post-tests) and successful participation in at least one registered IPE learning activity. Failure to complete the IPE Core Curriculum will result in delayed graduation. Students should consult their academic/program advisor and/or school catalog for additional information.

22. **Notification of Student Death.** HSC Student Affairs is the Office of the Chancellor’s liaison regarding notification of any student deaths. Schools must notify the Assistant Provost for Student Affairs immediately in the event of any student death.

23. **Program of Assistance for Students.** Personal counseling services are available to all TTUHSC students through the Program of Assistance for Students (PAS). Through the PAS, licensed counselors are available to assist students with all types of problems, including stress associated with academic, legal, or financial concerns; depression, anxiety, and/or other emotional problems; family and relationship issues; alcohol and drug abuse; and other mental health and wellness issues. For more information or to request assistance, please call 1-806-743-1327 or 1-800-327-0328. In after-hours situations, these PAS phone numbers serve as a 24-hour crisis line. In the event of an emergency, the answering service will connect the student with the counselor who is on call. Through PAS, TTUHSC students and their dependents are eligible to receive six free counseling sessions per year. Additional information about PAS services can be found at [https://www.ttuhsc.edu/centers-institutes/counseling/pas.aspx](https://www.ttuhsc.edu/centers-institutes/counseling/pas.aspx).

24. **Student Emergency Contact Information.** Students must keep their Emergency Contact Information current. To do so, visit webraider.ttuhsc.edu and sign in. Select the “MyTech (for Students)” tab and look in the “Personal Information” box. Click “Update Emergency Contacts” and fill in your information.

25. **Registration**
   a. Registration is coordinated by the Office of the Registrar in cooperation with the School in which the student enrolls. Tuition and fees are payable in full at the time of registration unless other arrangements have been completed. Registration for new students is completed as a step in the orientation process, or with the assistance of the Schools’ Student Affairs or Coordinators office.
b. To be eligible for registration, the student must have been officially admitted as a new student, or officially readmitted following an absence, and must have satisfied all admission requirements, or must be a continuing student who is eligible to continue as a student at the University. Any student deemed ineligible due to academic, administrative or disciplinary sanction will be barred from registration. Students must provide all final transcripts to each school’s Office of Admissions by the end of the first semester in which they are enrolled or a hold will be placed preventing registration in future semesters. *See Student Record and Transcript Policy located at http://www.ttuhsc.edu/registrar/documents/student.record.transcript.policy.pdf

c. Late Registration. Students are expected to register at their earliest opportunity. A student who registers late is assessed a charge. Consult the Office of the Registrar for deadline dates for registration.

26. Religious Holy Days
a. A student who intends to observe a Religious Holy Day should provide written notice, at the earliest possible date prior to the absence, to the following: (1) the instructor of each affected class and (2) the Director of Student Affairs of their School. A student will be excused from attending class(es), examinations, or other required activities for the observance of a Religious Holy Day, including travel for that purpose. A student whose absence is excused under this section will be allowed to take an examination or complete an assignment within a reasonable time and at the sole discretion of the instructor of record and/or the Director of Student Affairs before or after the absence.

b. A student who is excused under the above provision may not be penalized for the absence; however, the instructor may appropriately respond if the student fails to satisfactorily complete the missed assignment or examination within the above-stated time.

c. Any disputes regarding this policy should be submitted in writing to the TTUHSC President or their designee. Any decision by the President or their designee regarding the dispute shall be final.

d. This policy does not apply to any student absence for a Religious Holy Day which may interfere with patient responsibilities or patient care.

27. State Residency Classification. Students are responsible for registering under the proper residence classification and for providing documentation as required by the institution. If there is any question about the right to classification as a resident of Texas, it is the student’s obligation, prior to the time of enrollment, to ask for an official determination by the Office of the Registrar. Non-residents who live in Texas taking only online courses are charged non-resident tuition and fees. An applicant whose classification as a resident of the State of Texas is not clearly established should request a Residency Questionnaire from the Office of the Registrar.

28. Sexual Harassment Policy. Harassment of students of the basis of sex is a violation of §106.31 of Title IX of the Education Amendments of 1972. Student concerns about sexual harassment which include faculty, staff, or students should be directed to the Title IX Coordinator –University Center 330 A, (806) 743-9861, or TitleIXCoordinator@ttuhsc.edu.

29. Tuition and Fees Installment Payment Options
a. Texas Education Code, Section 54.007, provides that state-supported institutions of higher education shall provide students with the election to pay tuition and fees during the fall, spring, or long summer semesters in installments. TTUHSC offers the following payment alternatives:
   i. Full payment of tuition and fees in advance of the beginning of the semester; or
   ii. One-half payment of tuition and fees in advance of the beginning of the semester and separate one-fourth payments prior to the sixth and eleventh class weeks, respectively.

b. TTUHSC shall develop procedures which will provide that students may elect to pay tuition and fees using the payment alternative. Student who elect to pay by installments are required to complete a Financial Responsibility Agreement each semester.

c. TTUHSC is authorized to establish payment due dates in advance of the beginning of a semester and prior to the sixth and eleventh class weeks respectively so that required payments have been received and student records have been appropriately updated on the dates required by law.

d. If a student elects to pay tuition and fees using the payment alternative, he or she shall be assessed an installment option fee in addition to the required payment of tuition and fees. The fee developed and recommended for approval shall reflect all costs incurred in operating and handling payments under the installment alternative. The rates of the fee shall be approved by the Board of Regents.

e. If a student who has elected to pay tuition by installment fails to pay in full all amounts of tuition, other registration fees, installment option fee, late payment fees, and other authorized fees by the end of the business day of the last day of the semester, then he or she will be dropped from School for failure to pay.

f. TTUHSC shall develop procedures so that students are notified of the requirements, provisions, and penalties of the installment payment options.

g. Bi-annual approval of tuition and fees by the Board of Regents shall approve the assessment and collection of fees from Texas Tech University Health Sciences Center (TTUHSC) and Texas Tech University (TTU) students. The amounts to be collected are presented in a Global Fee Document to the Board of Regents two years for approval.

30. **Tuition and Fees Refund Policies**

   a. **Institutional Refund Policy.** Texas Education Code, Section 54.006, provides the amount of tuition and fees to be refunded to students who drop courses or withdraw from the institution. Class day count is based on the official institution calendar for the school, not the specific course dates.

   i. Students who drop a course, but remain enrolled at the institution will be refunded at the following rate:

<table>
<thead>
<tr>
<th>Term</th>
<th>Class Day</th>
<th>Percent of Refund of Charges</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summer – More than 5 weeks but less than 10 weeks in duration</td>

<td>1st class day through 12th class day</td>
<td>100%</td>
</tr>
<tr>
<td></td>
<td>After 12th class day</td>
<td>None</td>
</tr>
</tbody>
</table>
ii. Students who withdraw from the institution (zero semester credit hours) are required to pay tuition and fees according to the following schedule based on their official withdrawal date:

b. **Withdrawal from TTUHSC.** It’s important for students who receive financial aid and withdraw or drop all courses during the term to be aware of the refund policies and to understand the impact they will have on the aid released and the continued financial aid eligibility. Current refund policies for students who withdraw or drop all courses during a term are determined by the Higher Education Title IV refund regulations.

Federal Refund and Repayment calculations must be performed for students who receive Title IV (Pell, FSEOG, and/or Federal Direct Loans) funds and officially withdraw from all courses, drop out of all courses, are expelled, take an unapproved leave of absence, or fail to return from an approved leave of absence prior to the 60% date of the term. All “unearned aid” must be returned to the federal aid programs as determined by the Federal Refund and Repayment calculations.

i. The requirements for Title IV program funds are separate from the university refund policy. As such, you are responsible for unpaid institutional charges remaining after the refund calculation. You are also responsible for charges/ balances created by the returning of Title IV program funds that the school was required to return.

ii. If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAIL(1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at [www.studentaid.ed.gov](http://www.studentaid.ed.gov).

c. **Title IV Funds.** In order to keep all the financial aid issued in each term, students must be enrollment for at least 60% of the term. After this point in the term students have earned 100% of the Title IV funds released for the term. Therefore, it is in your best interest to maintain attendance and complete at least one class each term that you receive federal aid to avoid repayment of funds.
How the calculation works:
  i. Number of days attended ÷ Days in semester = % of semester completed
  ii. Total $ disbursed X % completed = Earned $
  iii. Total $ disbursed - Earned $ = $ to be returned

Once it is determined that you owe money back to any of the federal aid programs, you will be ineligible to receive further federal aid at TTUHSC or any other institution, until this debt is cleared.

To remain eligible for financial aid, a student must maintain satisfactory academic progress. This consists of two categories:

  i. Grade point average on hours attempted (qualitative); and
  ii. Hours successfully completed (quantitative) based on hours enrolled. As a general rule, a student must successfully pass 67% of the hours they attempt (hours as of the census date). You can find more information here: [http://www.ttuhsc.edu/financial-aid/faq.aspx](http://www.ttuhsc.edu/financial-aid/faq.aspx)

**PART XI. STUDENT COMPLAINT/GRIEVANCE POLICIES AND PROCEDURES**

The following narrative summarizes TTUHSC’s student complaint or grievance policies and procedures. Links to specific policies and procedures are provided on the HSC Student Affairs website.

It is the policy of the Texas Tech University Health Sciences Center to affirm the right of its students to a prompt and fair resolution of a complaint or grievance involving allegations of inappropriate behavior by other TTUHSC students or by TTUHSC personnel toward students. Policies and procedures exist for the following areas of student complaints:

- Complaints regarding the general or academic misconduct of another student
- Complaints regarding discrimination
- Complaints regarding student records
- Complaints regarding employment at TTUHSC
- Complaints regarding grades or grading
- Complaints regarding other types of mistreatment
- Other institutional-level student complaint procedures

**A. GENERAL OR ACADEMIC MISCONDUCT OF A STUDENT**

Policies and procedures governing complaints regarding the general or academic misconduct of students are defined in the Code of Professional and Academic Conduct (Student Code), which is published as Part II of this handbook. Students, faculty, and staff are all encouraged to report violations of the Student Code in accordance with the Disciplinary Procedures outlined in the Student Code.
B. DISCRIMINATION

This handbook identifies several policies intended to ensure the fair and equitable treatment of all members of the university community. The processes for filing complaints are detailed in the TTUHSC Operating Policies and Procedures. The following list identifies key institutional policies governing complaints regarding discrimination:

1. HSC OP 51.04, Access for Individuals with Disabilities
2. HSC OP 51.01, Equal Employment Opportunity Policy and Affirmative Action Plan

C. STUDENT RECORDS

HSC OP 77.13, Student Education Records, provides detailed information about filing complaints relating to student records.

D. TTUHSC EMPLOYMENT

Information about employment grievances for students who are employed at TTUHSC is provided in HSC OP 70.10, Non-faculty Employee Complaint and Grievance Procedures. This policy covers complaints concerning issues pertaining to wages, hours, working conditions, performance evaluations, merit raises, job promotions, job assignments, or similar matters involving management decisions concerning the employee.

E. GRADES/GRADING

The processing of formal grade appeal procedures is the responsibility of the school which administers the course. Relevant school policies are listed below:

1. School of Health Professions: Student Complaint Resolution and Hearing Policy (addresses academic and non-academic issues, including grade appeals)
2. School of Medicine–Lubbock: Student-Faculty Dispute Resolution Policy, Grading Policy, Promotions Policy, and policies and procedures for Challenging Student Records or Grades
3. School of Nursing: Academic Grade Challenges/Appeals
4. School of Pharmacy: Grade Grievance Resolution
5. Graduate School of Biomedical Sciences: Grade Appeals Policy

F. OTHER TYPES OF MISTREATMENT

1. Students who feel that they have been mistreated in a manner that is not directly addressed by any of the specific policies identified above are encouraged to refer to the policies and procedures governing student complaints, grievances, and appeals within their school. Relevant school policies include the following:
   a. School of Health Professions: Student Complaint Resolution and Hearing Policy (addresses academic and non-academic issues, including grade appeals) and Academic Misconduct Policy (addresses academic complaints against a student)
   b. School of Medicine–Lubbock: Student-Faculty Dispute Resolution Policy, Student-Student Dispute Resolution Policy, Part IV Anti-Discrimination and Title IX,
c. School of Nursing: Academic Grade Challenges/Appeals and Complaint or Grievance Resolution (Non-Grade Related)
d. School of Pharmacy: Non-Grade Grievance Resolution
e. Graduate School of Biomedical Sciences: Appeals Policy for Students and Grade Appeals Policy

2. Students should process their complaints or appeals through the appropriate channels. Procedures are delineated in the policies identified above. Students are required to bring their concerns to the designated student affairs officer of their school. The student affairs officer in each school is as follows:
   a. School of Health Professions: Associate Dean for Admissions and Student Affairs
   b. School of Medicine-Lubbock: Assistant Dean for Student Affairs
   c. TTUHSC School of Nursing: Assistant Academic Dean for Education Support and Student Affairs
   d. School of Pharmacy: Senior Director for Student Affairs
   e. Graduate School of Biomedical Sciences: Assistant Dean

3. The deans of the schools have final authority in resolving disputes related to academic issues, such as grading and promotion, and in non-academic issues involving the school's faculty and staff.

4. Every effort should be made to resolve complaints against faculty and other school personnel at the school level. If the complaint is about personnel or services at the institutional level, the student is advised to contact TTUHSC Student Affairs in accordance with the following institutional-level student complaint procedures. These procedures are also published on the HSC Student Affairs website.

G. OTHER INSTITUTIONAL-LEVEL STUDENT COMPLAINT PROCEDURES

The procedures defined below apply to student complaints that fall outside the scope of other institutional and school-based policies and procedures governing specific types of student complaints (Student Complaint or Grievance Policies and Procedures), including, for example, student complaints against staff members employed at the institutional level or against TTUHSC administrators. TTUHSC Student Affairs will administer this institutional policy and will ensure that due process is afforded to all concerned.

1. Early Resolution. Prior to contacting the TTUHSC Office of Student Affairs, the student shall attempt to resolve the issue with the individual(s) involved. If the student is not satisfied with the outcome after meeting with the individual or does not feel comfortable talking to the administrator or staff member involved, the student may contact the Assistant Provost for Student Affairs. The student shall address the issue and initiate action under this policy within 30 days of the event-giving rise to the complaint.

   The Assistant Provost for Student Affairs may counsel the student to discuss the issue with the involved administrator or staff member. If the student does not feel comfortable talking to the person involved, the Assistant Provost for Student Affairs will investigate the complaint, attempt to reconcile differences, and propose a solution. The Assistant Provost for Student Affairs will provide a written statement of their recommendation to all parties within ten working days following the initial receipt of the student's report of the complaint. All involved parties will then have ten working days to respond. Every effort should be made to resolve the issue without going beyond this level. The Assistant Provost for Student Affairs will attempt to facilitate a resolution before proceeding with a hearing, as described below. (If the complaint is against the Assistant Provost for Student Affairs, the student should meet with the Provost or their designee, who will follow the procedures outlined here.)
2. **Filing a Hearing Request.** If the student is not satisfied with the recommendation of the Assistant Provost for Student Affairs, he/she may file a request for a hearing by submitting a written complaint to the Assistant Provost for Student Affairs. The hearing request must include a specific statement of the student’s complaint, an explanation of what remedy the student seeks, and a copy of the Assistant Provost for Student Affairs’ recommended resolution.

If the student files a request for a hearing, a Student Hearing Committee as defined below must convene within 15 working days.

3. **Hearing Procedure.** Upon receipt of a written request for a hearing, the Assistant Provost for Student Affairs will appoint a Hearing Committee according to the following procedure:
   a. Each party will propose in writing a list of four TTUHSC faculty, staff, and/or students to serve on the Hearing Committee. The Assistant Provost for Student Affairs will contact one person from each list in order of the submitting party’s preference to determine the person’s willingness to serve. Through this process, one person will be selected from each list. The two people selected will then select a third member (a TTUHSC faculty or staff member) and these individuals will comprise the Hearing Committee. This group will select a chair from among themselves.
   b. The Assistant Provost for Student Affairs will provide technical assistance and support to this committee.
   c. As soon as the hearing is scheduled, the chair of the Hearing Committee will send a written notice to all involved parties. The notice will specify the time, place, and nature of the hearing, plus a brief description of the complaint. The notice will also confirm the right of all involved parties to present witnesses and evidence and to be accompanied by counsel for advisory purposes only.
   d. At least three days prior to the hearing, all parties will provide to the chair of the Hearing Committee and the Assistant Provost for Student Affairs a list of the names of any witnesses or counsel who will attend the hearing. If the student will be represented by counsel, the University may be represented by the Office of General Counsel. The student and the involved individuals(s) shall have access to all information to be considered by the Hearing Committee, including the names of all persons giving evidence.
   e. The student and the involved parties shall attend the hearing and be offered an opportunity to state their positions and present testimony and other evidence relevant to the case. The responsibility of establishing the validity of the complaint rests with the student.
   f. The Hearing Committee chair may keep a recording of the hearing, which shall include date, time, and location of the hearing, names of those present, and any evidence introduced (e.g., records, written testimony, duplicated materials).

4. **Committee Decision**
   a. After completion of the hearing, the Hearing Committee shall meet in closed session and prepare a written recommendation. Copies of the Hearing Committee chair’s report shall be forwarded to the involved parties within five working days.
   b. The appeal must be made, in writing, within three working days, to the Provost or their designee.
   c. The Provost or their designee will review the complaint resolution and render a decision within five working days. The decision of the Provost or their designee is final.
   d. If the Provost or their designee is serving as a mediator in the case, then the President or their designee will review the complaint resolution and render a decision within five working days. The decision of the President is final.
5. **Complaint Forms.** It is the policy of the Texas Tech University Health Sciences Center to affirm the right of its students to a prompt and fair resolution of a complaint or grievance involving allegations of inappropriate behavior by other TTUHSC students or by TTUHSC personnel towards students.
