Walk-ins

- Walk-ins are welcome, *although calling the office for a scheduled appointment time will reduce patient wait time.*

- Paper Work and routine procedures are not ordinarily considered urgent care and may not be taken care of on the same day as requested.

Immunizations

For immunizations, please contact the Taylor County Health Department.

Emergencies

- If you have a health emergency that requires you to be seen at a hospital emergency room, Hendrick Health System's Emergency Department is located at 1900 Pine Street. An additional location will open at 5302 Buffalo Gap Road in spring of 2017.
- Visits to an emergency department that generate a charge from either TTUHSC or the hospital are your responsibility.

Fees

- TTUHSC students are required to pay \$10.00 per physician visit.
- Any additional lab tests or radiology services, consultations or visits to an emergency room that generate a charge will be your responsibility.
