 - (5) Copies of all written requests are to be maintained in the Student file in which the requested educational record is maintained.
- d. Principal Locations for Student Education Records. Any TTUHSC office or official may possess an Education Record regarding a Student. The Student may then have a right to receive copies of the Education Record at the Student's expense after evaluation of the circumstances by the Records Custodian.
 - (2) Official copies of academic records or transcripts will not be released for Students who have a delinquent or unpaid financial obligation to the University, have a "hold" at the University, or have an unresolved disciplinary action pending at the University, provided that applicable law does not otherwise require disclosure of the records.
 - (3) While TTUHSC is not required to give student access to treatment records under FERPA (see section 1(b)(4) above), a Student may request in writing that those records be reviewed by a physician or other appropriate professional of the student's choice.

- a. Informal Discussion. A Student who believes that his/her Education Records are inaccurate or misleading, or that the records violate his/her privacy rights, must first request an informal discussion regarding the questionable item with the Records Custodian, who may or may not honor the request.

- b. Written Request to Amend Records. If the result of the informal discussion with the Records Custodian is not satisfactory to the Student, and the Student still wishes to have the record corrected, the Student should submit a Student Request to Amend Education Records form (Attachment C) to the Executive Vice President for Academic Affairs or designee. The request shall clearly identify the part of the record the Student believes should be changed, and specify why it should be changed, i.e., why the Student believes the record is inaccurate, misleading or in violation of his/her privacy rights. **[Note: The substantive judgment of a faculty member regarding a Student's work, expressed in grades or evaluations, is not within the purview of the right to seek amendment of Education Records under this section. This section does not include procedures for Students challenging individual grades. Grade appeal and grievance procedures are set forth in the individual Student handbooks for each School and the TTUHSC Student Handbook/ Code of Professional and Academic Conduct.]**
- c. Review by the Executive Vice President for Academic Affairs. After receiving the written request from the Student for a change in his/her Education Records, the Executive Vice President for Academic Affairs ("EVPAA") or designee shall request, and the Records Custodian shall provide, a written statement that explains why the request for the change in the Education Record was denied at the informal stage. After reviewing the request by the Student and the response of the Records Custodian, the EVPAA or designee will provide written notification to the Student whether or not TTUHSC will implement the change. If not, the EVPAA or designee will notify the Student of the right to a hearing to challenge the information believed by the Student to be inaccurate, misleading, or in violation of the Student's rights.
- d. Hearing Procedures (34 C.F.R. 99.22). Upon receiving a written request from the Student for a hearing, the EVPAA or designee shall arrange for a hearing and provide written notice to the Student reasonably in advance of the date, time and place of the hearing. The hearing will be conducted according to the following procedures:
- (1) The hearing shall be conducted by a hearing official or committee appointed by the President or designee. Such individual(s) must have no direct interest in the outcome of the case and shall decline to serve if a conflict of interest, or an appearance of a conflict of interest, exists with either the Student or the Records Custodian.
 - (2) At least five (5) days prior to the date scheduled for the hearing, the Student and the Records Custodian, shall submit to each other, as well as to the hearing official or committee, any and all pertinent documents and a list of witnesses and advisors who are to be involved in the hearing process. The Student may, at his/her own expense, be assisted or represented by one or more individuals of his/her own choice, including an attorney. If the Student has an advisor, the Office of General Counsel shall represent the University. The Student and the Records Custodian are each responsible for presenting relevant information. Therefore, the advisors and/or attorneys for the Parties are not permitted to speak or participate directly in the hearing.
 - (3) At the hearing, the Student shall have the opportunity to present evidence to support his/her position that the content of the relevant educational record is inaccurate, misleading and/or otherwise in violation of the privacy rights of the Student.
 - (4) Any additional information regarding the hearing procedures will be provided to the Student when notified of the right to a hearing.
 - (5) Within seven (7) business days after the conclusion of the hearing, the hearing officer or chair of the hearing committee, if applicable, will transmit the decision in writing to the Student, the Records Custodian, and the EVPAA or designee. The decision must include a summary of the evidence and the reasons for the decision. If, as a result of the hearing, the hearing official or committee determines that the information in the Education Record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the Student, the Student will be notified of the right to place a statement in the record contesting the information in the record or stating why the Student disagrees with the

decision of the agency or institution, or both. Any statement provided by the Student shall be maintained with the contested portion of the record for as long as the record is maintained. In the event the contested portion of the record is later requested, the statement shall be disclosed with the record to the extent it pertains to the contested portion.
