PREFACE

This handbook is designed to explain many of the standards that have been established to provide a consistent documentation of expenditures. This documentation of expenditures is both necessary and appropriate in order to make qualified responses to official inquiries from such offices as the Internal Revenue Service, State of Texas Auditors, Texas Tech System Board of Regents, and TTUHSC Administration. The regulations set forth in this publication are in compliance with the operating policies approved by the Board of Regents.

In addition to the rules applied by the Board of Regents, the Senate Committee on Budget and Finance has prescribed further condition, limitations, rules and procedures for allocated funds. These same regulations are outlined in the Funding Regulations Handbook.

The Budget and Finance Committee recognizes that Lubbock students attending Texas Tech University Health Sciences Center are required to pay a student service fee. A portion of this fee is allocated to qualified organizations through the Student Senate Appropriations Bill and through the funding process. However, this allocation does not provide sufficient funds to support all the activities of every organization. Accordingly, the reallocation of such funds is a judgement process undertaken by the Committee within the framework of an overall philosophy that includes that student service fees are allocated to qualified organizations to supplement their activities, not as sole support for the organizations.

You may contact the Student Government Association office or the Office of Student Life for further information.

**STUDENT GOVERNMENT ASSOCIATION FUNDING**

The Student Government Association administers the allocation of a portion of Student Service Fees. Student Service Fees are collected by Texas Tech University Health Sciences Center as a component of tuition and fees.

The Student Senate administers the allocation of the portion of funds received by the Student Government Association for allocation to student organizations. This allocation takes place through a very strict budget process, where annual amounts are allocated to supplement the budgets of student groups throughout the fiscal year. **Allocation may also occur through the Special Projects Request process, which furnishes emergency funds to organizations for needs not anticipated during the budget process at the discretion of the Student Government Association Budget & Finance Committee.**

The Student Government Association office is available to answer any question, concerns, or problems you may have. Feel free to contact any of the officers at 743-1619 or visit The Office of Student Life, Room 2C400 between 8:00 a.m. and 5:00 p.m., Monday through Friday.

**ABOUT THE FUNDING REGULATIONS HANDBOOK**

**PURPOSE OF THE FUNDING REGULATIONS HANDBOOK**

This manual is written for the financial officer of the registered student organization or specialty club and their advisors to inform them of the policies and procedures of the TTUHSC SGA so that they can manage their TTUHSC SGA funding efficiently. This handbook covers the basic financial policies of the TTUHSC SGA and outlines the responsibilities, restrictions, and penalties related to the use of TTUHSC SGA funds. The manual will be updated as changes occur.

**AUTHORITY AND EFFECT OF THE FUNDING REGULATIONS HANDBOOK**

The policies and procedures outlined in this manual are a compilation of the rules and laws that govern the operation of the funds allocated by the TTUHSC SGA. There are rules, policies, procedures, and laws that govern these funds that extend beyond the policies of the TTUHSC SGA to Texas Tech University Health Sciences Center policies, state, and federal law. Failure to comply with the procedures and rules laid out in this handbook may result in the permanent refusal of TTUHSC SGA funding to an organization/specialty club. These regulations are in place to prevent the misuse of TTUHSC SGA allocated funds and to provide equal access for all students to the benefits of TTUHSC SGA funding.

**REQUIREMENT FOR PAYMENT TO SPEAKERS WHO ARE NOT US CITIZENS OR PERMANENT RESIDENT ALIENS.**

A. All payments must meet “eligibility for payment” rules set by the U.S. Citizenship and Immigration Services. The immigration rules are based on the visitor’s immigration status (visa type) on the I-94 card, number of days performing services in the U.S. and the type of payment being made to the visitor. You must contact Bob Crosier in the Office of International Affairs at (806-742-3667) before inviting the Nonresident Alien visitor to campus to ensure that the visitor will have a payable visa type. Bob will need to know the following information:

1. The visitor’s country of citizenship
2. The expected arrival date on campus
3. The expected immigration status
4. The expected number of days the visitor will perform the service
5. The type of payment being made.

B. When the nonresident alien visitor arrives in the United States, make copies of the following documents and immediately fax them over to Bob Crosier at (806-742-1286). Bob will fax an approval or disapproval to the Office of Tax Compliance. The Office of Tax Compliance will then notify the department whether or not they can make a payment to the foreign visitor.
1. Copy of the I-94 Card (Small white card issued at the port of entry to the U.S. indicating the status of the person entering and the length of stay allowed.) or I-94W Card (Small green version of the I-94 issued to persons entering the United States on the visa waiver program.)

This form indicates the names of the sponsoring school, the activity of the participant, and the dates of the program.)

C. Many countries have income tax treaties with the United States which were developed specifically to encourage the exchange of information and business. Tax treaties allow nonresident aliens to be exempt from U.S. income tax withholding but only if the proper procedures are followed to claim a tax treaty benefit.
1. If there is a tax treaty for the individual’s country of residence and there is a provision for “independent personal services,” then the Nonresident Alien visitor will need to complete IRS Form 8233 and must have a taxpayer identification number in order to claim a tax treaty benefit. **Contact the Office of Tax Compliance to determine if a tax treaty exits for the individual.**
2. If the Nonresident Alien is eligible for tax treaty benefit, we will not have to withhold 30% income tax from his payment.
3. If the Nonresident Alien visitor is going to be a paid an honorarium and he is going to claim a tax treaty benefit and the Non-resident Alien visitor does not have a United States Individual Taxpayer Identification Number, you will need to **immediately take** the Non-resident Alien to the Office of Tax Compliance at Drane Hall Room 106 (or Bob Crosier’s office) to help the visitor complete the Form W-7 Application for IRS Individual Taxpayer Identification Number (ITIN). This **must** be done in person.

D. The following three pieces of information will need to be sent to the Office of Tax Compliance at Drane Hall 106 at the same time the above information in Section 2 is sent to the Office of International Affairs. Should you have any questions or need to fax the information; the Office of Tax Compliance can be reached at 806-742-3255-Phone or 806-742-0066-Fax).

2. IRS FORM 8233 (December 2001) Exemption from Withholding on Compensation for Independent Personal Services of a Non-resident Alien Individual (to determine if this form is needed, contact the Office of Tax Compliance to verify there is a treaty with the non-resident alien’s country).
3. Foreign National Information Form (to be completed by the non-resident alien).

E. Please bring all of the previous documentation to the Assistant Director in the Office of Student Life to complete the payment.

**FOOD EXPENDITURES**

The officers shall work to place food lines so that students cannot easily take food and leave the meeting (i.e. have the serving tables funnel into the meeting room, etc.).

G. Dues from off-campus accounts may be used towards the purchase of food for meetings.

**SPECIAL NOTES**

Guidelines Concerning Safe Travel Practices

1. Each administrative unit approving University-related travel, especially travel that involves students, is encouraged to promulgate guidelines that encourage safe driving and minimize risks of injury during that travel.
2. Registered student organizations are free to make such off-campus trips as are deemed worthwhile by the membership and sponsors of the organization. Participation in such off-campus trips and activities is at the students’ own risk. If personal injury or accident should occur to students or other persons during such activities, TTUHSC will assume no responsibility, financial or otherwise.

3. Faculty and staff sponsors and organization officers are urged to take all possible precautions to ensure the safety and well-being of all persons participating in off-campus activities.

4. There is no official registration procedure for official off-campus trips, and there are no official excused class absences for student organizations. Students will be responsible for making their own individual arrangements for instructors for class work missed while participating in an off-campus trip. Instructors may set their own requirements for class work missed under such circumstances; they must grant students an opportunity to make up all course work missed while participating in an official off-campus trip.

All travel payments are at the discretion and the organization/specialty club officers’ approval.
