

**Texas Tech Health Sciences Center
Student Senate Resolution
Support of Bill Amendment**

Whereas, revenue must be produced to maintain, finance, operate, improve, and equip the Synergistic Center,

Whereas, Texas Tech University Health Sciences Center does not pay a Student Center Fee due to the present fee (\$91 per Semester) pertaining only to the Student Union Building at Texas Tech University general academic campus,

Whereas, no other funds are available and a fee is a possible solution to producing the necessary revenue for the Synergistic Center to continue to exist,

Whereas, section 54.5241 of the Education Code needs to be amended to include the entire Texas Tech University System to allow the Health Sciences Center to create a Student Center Fee (if necessary) pertaining only to Texas Tech University Health Sciences Center,

Therefore, be it resolved that the TTUSHC Student Senate supports the amendment of the before stated section of the Education Code to state "Student Center Fees; Texas Tech University System."
