

**Texas Tech University Health Sciences Center
Student Senate Resolution
SGA Double T Scholarship**

Where as, the spirit of the Star Spangled Scholarship Committee and the patriotism it represents by the Double T + American Flag combination,

Where as, 42.3% of eligible youth voters between the ages of 18 and 24 year olds voted in the 2004 election,

Where as, the majority of the student body at Texas Tech University Health Sciences Center are citizens of the United States of America and hold the right to vote,

Therefore, be it resolved that, the Texas Tech University Health Sciences Center Student Government Association will hold events to promote voter registration and information on polling sites to vote so that our students may express their voice through the election process.
