Senate Resolution 23.02

(Stating the sentiments of the TTUHSC Student Senate regarding the proposal to increase the minimum number of students needed to utilize TTUHSC Lubbock campus Pod D glass study rooms.)

WHEREAS, The West expansion (“Pod D”) has served as an innovative building; and,

WHEREAS, the building includes the gross anatomy lab, several classrooms, administrative offices, but contains a limited number of study rooms on the 5th floor Pod D; and,

WHEREAS, on the top (5th) floor, the big glass study rooms serve as a popular site for students; and,

WHEREAS, there are limited large study rooms in general at the HSC, and these big glass study rooms are conducive for collaborative work, which is a mission of the HSC; and

WHEREAS, students from all TTUHSC programs have been able to use the study rooms, which are built to fit up to 5 or 6 students at a time, yet individual students take up the large rooms; and therefore,

BE IT RESOLVED, that the Student Senate of Texas Tech University Health Sciences Center propose that the TTUHSC Lubbock campus Pod D 5th floor large glass study rooms be utilized by a group of two or more students; and therefore,

BE IT FURTHER RESOLVED, that this resolution be forwarded and sent to **Lori Rice-Spearman, Ph.D.**, President of Texas Tech University Health Sciences Center; **Darrin D’Agostino, D.O., M.P.H.**, Provost and Chief Academic Officer; **Arianna Flores**, Editor-in-Chief of *The Daily Toreador*; and to the students of Texas Tech University Health Sciences Center.
