TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER
Senate Resolution 20.15

(Stating the sentiments of the Student Senate regarding increasing the availability of hand sanitizing stations around TTUHSC)

WHEREAS, the health of students, faculty, staff, and visitors is of the utmost importance to the Texas Tech University Health Sciences Center,

WHEREAS, there is currently a worldwide pandemic that has been propagated, in part, by inadequate hand hygiene,

WHEREAS, using hand sanitizer reduces microbial counts and kills many harmful germs that could otherwise lead to fomite-based transmission of COVID-19 or other diseases,

WHEREAS, increasing the number of hand sanitizing stations would help keep the campus a healthy and thriving learning environment by promoting hygiene,

THEREFORE BE IT RESOLVED, that the Student Senate of the Texas Tech University Health Sciences Center calls for increased funding for and availability of hand sanitizing stations around TTUHSC campuses, thereby preventing the onset and spread of disease,

BE IT FURTHER RESOLVED, that this resolution be spread upon the Journal and that copies be sent to **Lori Rice-Spearman**, Interim President of Texas Tech University Health Sciences Center; **Harry Slife, PhD**, Vice President for Facilities & Safety Services; **Erin Justyna**, Assistant Provost for Student Affairs; and to the students of Texas Tech University Health Sciences Center.
