TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER  
Senate Resolution 19.10

1 (Stating the sentiments of the Student Senate regarding hours of operation for TTUHSC  
2 laboratories)  
3

4 WHEREAS, athletic training, occupational therapy, and physical therapy student laboratories in  
5 the TTUHSC have operating hours that prevent students from entering them after predetermined  
6 times, and  
7

8 WHEREAS, these hours are not conducive to the requirements of students that spend large  
9 quantities of time at clinical sites or off campus, and  
10

11 WHEREAS, other laboratories, like the cadaver lab, operate on unique hours to the benefit of the  
12 students permitted to use them, with only minor incidents.  
13

14 WHEREAS, extending the hours of operation can allow laboratory access to students previously  
15 unable to use the facility, and  
16

17 WHEREAS, extending operating hours can deal with laboratory overcrowding, and  
18

19 WHEREAS, all students will benefit from the ability to use the facilities to their maximum  
20 potential, and  
21

22 THEREFORE BE IT RESOLVED, that the Student Senate of Texas Tech University Health  
23 Sciences Center calls for athletic training, occupational therapy, and physical therapy laboratory  
24 hours of operation be amended. So, the university can best serve the students who utilize the  
25 equipment to develop as health care providers.  
26

28 be sent to **Lori Rice-Spearman, Ph.D.**, Dean, School of Health Professions; **McKenzie Morris**,
