### Giving Tuesday - November 30th

OLN is a student-led organization that provides emergency financial assistance to students who are experiencing unanticipated hardship. In situations such as car wrecks, family deaths, medical bills, and loss of wages, OLN can be there for our students — with your help.

Each year, the Tuesday after Thanksgiving is a global day dedicated to celebrating generosity and giving back. Please consider giving what you can and know that your contributions, no matter the size, will have a lasting impact on those who have dedicated their lives to improving health care for us all. ## **New Cell Phone Booth in the Preston Smith Library**

The TTUHSC Library in Lubbock recently added a cell phone booth on the 2nd floor near the Pod D Library Entrance. Inside the booth is a stool and a small work table that is perfect for a cellphone, tablet, or laptop. The booth has power sources, adjustable lights, and a ventilation system. The booth is intended for short phone/video calls and is available on first-come, first-serve basis.

## **Fuel up for Finals**

The Office of Student Life will be hosting Finals Fuel on the Lubbock campus on December 14, 15, and 16. Stop by the Synergistic Center, 9am-2pm, to pick up some snacks to recharge your brain and help you power through your exams. \*While supplies last.

## **Wireless Displays**

The Preston Smith Library in Lubbock is in the process of installing wireless displays in all 3rd floor study rooms. These allow the user to wirelessly display their laptop screen to a larger monitor. The larger screens are ideal for study and project preparation.

"Conflict forces us to be fully present because it shatters our ego – stripping away all hope of escape or sugar coating. It removes everything that is nonessential to our authentic being; it removes all superficial layers. Conflict is painful because it wakes us up out of our created illusions. And if we lean into it, conflict can be the catalyst to our enlightenment." - Alaric Hutchinson
