President's Select applications are being accepted through July 29th at 11:59 pm. Apply now at <https://app4.ttuhsc.edu/plca/>. For questions about the application process, please contact Megan McCrory at Megan.Mccrory@ttuhsc.edu.

IPE Escape Room Challenge

Looking for a fun and engaging IPE experience? The IPE Escape Room is an adventurous way to meet new students across our various healthcare professions while improving teamwork and communication skills. Throughout this beginner escape room, teams will collaborate together to solve puzzles that will ultimately lead to a discharge plan in a simulated patient case. Team members are not required to have discipline-specific knowledge and teams will be provided clues as needed.

Participants may be asked to switch days and times to ensure an interprofessional mix of learners. At registration, you will select a preferred date and time in the "workshop" dropdown menu.
