Student Life CREW Applications Open

The Office of Student Life is recruiting students to volunteer to help with events the department hosts throughout the year. As a volunteer you will be part of the Student Life CREW where you will receive a special t-shirt your first event you volunteer at, build connections with staff and students from different schools, and be invited to participate in leadership development opportunities just for CREW members. Events will take place on all campuses but most will be located in Lubbock. If this is something you would be interested in fill out the form below. If you have any questions, please email student.life@ttuhsc.edu.
