### International Education Fee Award: Summer 2023

The international education fee is a \$4 institutional fee collected each semester. Monies in the fund are used to assist students who participate in international student exchange or study programs that are part of their degree program (i.e., an elective or other course for which clinical hours or credit will be received). Students interested in applying for funding for programs occurring during Summer 2023 (May - August) should read the following information carefully. Please note, students may only apply for an award once per academic year.
