Global Medical Brigades Panama Summer 2023

TTUHSC students interested in participating in the TTUHSC sponsored International Program in Panama through Global Medical Brigades this summer should make note of program dates and application due date. For more information, please visit the Office of Global Health website at <https://www.ttuhs.edu/global-health/sites.aspx> or email globalhealth@ttuhs.edu.

- Program Dates: Saturday, July 15 - Monday, July 24
- Application Deadline: Friday, April 28th at 4 pm
 - Application link: <https://student.ttuhs.edu/global-health/gmbpanama.aspx>

Recharge at the TTUHSC Libraries

The TTUHSC Libraries have charging lockers and stations at the Amarillo, Odessa, and Lubbock Libraries. While your mobile device recharges, study or sit and relax with a cup of coffee. Each library provides a selection of free K-Cup style coffees.

Grant Funding to Promote Student Wellness at TTUHSC

Well Beyond, the TTUHSC QEP, has grant funding available to promote student wellness at our university. Any faculty, staff, or student can apply to receive up to \$1,000 to fund a project or program that will benefit TTUHSC students. The grant application and a helpful 15-minute video about the application process can be found [here](#). July 15, 2023 is the deadline for submitting a grant application for FY 2024. If you have any questions about this opportunity, not addressed in the application or video, please contact Dr. Alan Korinek, QEP Co-Director (806-743-6175 or alan.korinek@ttuhsc.edu).

Translational Neuroscience Symposium

The 7th Annual Translational Neuroscience Symposium hosted by the Center for Excellence for Translational Neuroscience and Therapeutics and the Garrison Institution on Aging will be held on May 10th. This year's keynote speaker will be Dr. Smriti Iyengar, Program Director in the Division of Translational Research at the National Institute of Neurological Disorders and Stroke, NIH. Registration is free. Register for the conference or submit an abstract at <https://bit.ly/3yabjw1>. Contact CTNT@ttuhsc.edu or L.Moran@ttuhsc.edu with any questions or for additional information.

Registration Open - Shatter the Stigma 2023

Registration is now open for our first summer IPE event, Shatter the Stigma, a virtual interprofessional simulation with standardized patients. In this IPE simulation with SPs, teams of learners from diverse professional backgrounds take the first step in shattering the stigma of SUDs by learning and practicing the use of destigmatizing interviewing techniques. This is accomplished by keynote presentations and panel discussions covering team-based care in SUDs, harm reduction strategies, and interviewing strategies to destigmatize the interview. Teams of learners will then participate in 2-3 simulations with SPs, followed by a facilitated debrief. This event will be held virtually on June 23, 2023.

The registration link is: <https://app4.ttuhsc.edu/InterprofessionalEvents/>. For more information, please contact the Office of Interprofessional Education at (806) 743-2028, email us at atipe@ttuhsc.edu, or visit our website www.ttuhsc.edu/interprofessional-education.

Resiliency in Interprofessional Teamwork - July 21st

Burnout in healthcare and healthcare education is an epidemic that has been linked to numerous devastating outcomes for learners, professionals, and patients. Many national healthcare organizations have stated that teamwork and mutual support are critical to improving resilience and well-being. Therefore, supporting and building the resiliency and well-being of teams is essential. It benefits not only the individual members of those teams but also those who are served by and engaged with the team. Additionally, as interprofessional teams are becoming increasingly important in health delivery, by understanding and applying principles of emotional intelligence, a foundation is built through creating team environments that are conducive for optimum communication, collaboration, and teamwork. Therefore, this IPE activity is designed to foster an awareness of personal resiliency and its impact on interprofessional teamwork and communication.
