### April is National Sexual Assault Awareness Month

This April, during Sexual Assault Awareness Month, learn how to take steps to build connected communities and enhance your knowledge of sexual assault, harassment, and abuse. In addition, we invite you to explore how to create safe communities where everyone feels safe and supported. The TTUHSC Office of Institutional Compliance has created a page with resources, statistics, and information on sexual assault and prevention.

Two events in the month are also being held to enhance your knowledge and allow an opportunity to connect with the community. On April 18th, Texas Tech Police Department will be on the Lubbock campus to offer sexual assault awareness and prevention education. On April 27th, join the Step into Hope Awareness Walk to raise awareness for sexual assault survivors in the community. Register for the walk at <https://tinyurl.com/bp9fm5xz>.
