ANNOUNCEMENTS

General Announcements for Students

TTUHSC Helping Hands Food Pantry

The TTUHSC Helping Hands Food Pantry is an ongoing endeavor of the TTUHSC community working together and with members of the Lubbock community (Breedlove) to fight and end food insecurity for the members of the TTUHSC family (students, staff and faculty).

The TTUHSC Helping Hands Food Pantry is dedicated to ensuring that no member of the TTUHSC family goes hungry and that every member of our family has access to nutritious food.

To submit a request for a Kindness Kit, or for more information in regards to the pantry, please visit us at: <https://hscweb.ttuhsc.edu/helpinghands/>

IPE Multimedia Contest

Calling all Student Organizations! Would you like to earn \$700 for your student organization while having fun within your student group? All student organizations are encouraged to work collaboratively to develop contest submissions with a limit of 2 entries per organization. First and second place prizes will be awarded to the student organizations with the top scoring multimedia programs, as deemed by a panel of judges. Entry deadline is 3/31/2020. Please see the Office of Interprofessional Education website for more information at www.ttuhsc.edu/interprofessional-education/ipe_multimedia_contest_information_page.aspx or give us a call at (806) 743-2028.

TTU Accelerator

The Texas Tech Accelerator program is designed to help faculty, students and other entrepreneurs in the region launch startup companies or discover licensing opportunities based on inventions and university technology. Participating in the Texas Tech Accelerator is based on an application process that begins the previous spring. Participating companies have access to funding support, \$25,000 grants, co-working space and mentors during the yearlong process. The deadline to apply is February 23rd. For more information or to apply please visit: www.depts.ttu.edu/research/research-park/accelerator.php

Spring IPE Day - Register Now

Register today for 2020 Spring IPE Day brought to you by the Office of Interprofessional Education at Texas Tech University Health Sciences Center. Spring IPE Day is an excellent way to learn together and practice interprofessional education, teamwork, and collaboration among health care professionals.

Spring IPE Day is a fun-filled event that will focus on ***Interprofessional Collaboration and Teamwork*** as it looks at how as health care professions we can respond to public health emergencies as they happen in the communities we serve. The day will focus specifically on wildfires that impacted communities in the Texas Panhandle area in the spring of 2017.

Spring IPE Day will be held on the Abilene, Amarillo, Dallas, Lubbock and Odessa campuses. The event will be hosted from the Lubbock campus and students will participate both through Techlink and with a faculty facilitator leading each team in their assigned rooms. Students participating in Spring IPE Day will be assigned to an interprofessional response team on their campus. Within those teams, students will collaborate together in determining an appropriate plan of action based on the needs of the community while coordinating with other resources with the other various teams. Spring IPE Day is approved through the IPE Registry and all participating students will receive a certificate that can be used towards the IPE curriculum graduation requirements.

For more information on the Spring IPE Day, please visit our webpage at www.ttuhsc.edu/interprofessional-education or call the Office of Interprofessional Education at (806) 743-2028.
