General Announcements for Students

Coronavirus Update - Highlights from Student Town Hall

Online instruction will extend through June 2020 for on-campus academic classes. At this time, TTUHSC leadership is evaluating projection models to determine the feasibility of safely resuming on-campus classes on July 6. Any updates to this projected return date will be communicated on Monday, May 25.

Please mark your calendars for May 20 for a livestream tribute celebrating the accomplishments of our graduating class. We will be sharing more details as the date nears. Individual schools are also planning memorable events for their graduates.

The TTUHSC COVID-19 webpage will be the primary source of information and updates related to university operations. Please continue to visit the website for ongoing updates and resources.

BMJ Case Reports

Publishing as a student is a great addition to your CV and helps establish your reputation within your field. The TTUHSC Libraries has an institutional subscription to the journal, BMJ Case Reports. The journal is a collection of over 19,000 peer-reviewed case reports in all disciplines for health care professionals and researchers. TTUHSC students can submit case reports with the journal for free.

For more information, please see our webpage: <https://ttuhsc.libguides.com/bmjcasereports>.

IPE Multimedia Contest - Deadline Extended

Calling all Student Organizations! Would you like to earn \$700 for your student organization while having fun within your student group? The IPE Multimedia Contest is a great opportunity for student organizations to work collaboratively to develop original submissions showcasing IPE tenants. Feeling a little cooped up? This is a perfect project to get your student group online together and have a little fun! First and second place prizes will be awarded to the student organizations with the top scoring multimedia programs, as deemed by a panel of judges. Entry deadline has been **extended through 4/30/2020**. Please see the Office of Interprofessional Education website for more information at https://www.ttuhsc.edu/interprofessional-education/ipe_multimedia_contest_information_page.aspx or give us a call at (806) 743-9190.

IPE Summer Escape Room

The Office of Interprofessional Education will be hosting a fun and engaging Escape Room this summer during the month of July for all new and returning TTUHSC students. This beginner escape room is an adventurous way for new students to meet others across our various healthcare professions, improve interprofessional teamwork and communication, and collaborate together to solve puzzles that will ultimately lead to a discharge plan in a simulated patient case. Team members are not required to have discipline-specific knowledge and teams will be provided clues as needed.

The IPE Escape Room is a perfect opportunity for new students to learn more about TTUHSC, work with an interprofessional team of students from various professions, and learn more about the importance of interprofessional education and practice in healthcare.

Escape Room Details:

To escape the room, interprofessional teams of students will work together to solve an introductory clinical case and then discuss the teamwork and communication skills used. Participants can build their own team of 6-8 students or can be placed on a team. At least two professions must be represented on each team. Teams will have one hour to complete the challenge. Following the completion of the challenge or at the end of the hour, a debrief will take place allowing teams to discuss their escape room experience and evaluate their teams performance. Please allow additional time for the team discussion.

Registered participants who complete the Escape Room challenge will receive a certificate that can be given to their program directors for IPE graduation credit. For more information, please contact the Office of Interprofessional Education at ipe@ttuhsc.edu or call us at (806)743-2028.

Important Information for Student Org Officers & Advisors

HSC Net - Access to New Officers

As you pass duties over to newly elected officers, please remember to give them access to the organization's page in HSC Net. To give them an officer position, go to the Roster and select the Pencil icon to the right of their name. You can then select the officer position needed for that specific person. For questions, please contact Student Life at student.life@ttuhsc.edu.
