According to TTUHSC guidelines, the TTUHSC Libraries will be physically closed until Phase I of the TTUHSC return to campus. Each campus library may have a different return to campus date based on their regional COVID cases. Please regularly visit the TTUHSC announcements and the Libraries' social media for information on each campus library's return. In the interim, the TTUHSC Libraries' online books, journals, and database collections are still available at the Libraries' website.

Reference Librarians are available to answer your reference questions, assist with systematic reviews, help locate peer-review articles, and provide citation management assistance.

## **Veteran to Veteran Mentorship Program**

The HSC Veterans Resource Center is seeking veterans at TTUHSC who would like to fill a mentorship role for another veteran or service member. This developing mentorship program will provide an opportunity to serve as a trusted friend and leader in the development and support of a fellow veteran or service member; to help them navigate student life, identify challenges they may encounter, provide appropriate resources on and off campus, and offer ongoing support toward academic, personal, and professional successes. If interested, please email [sara.henly@ttuhsc.edu](mailto:sara.henly@ttuhsc.edu). In order to bring best practices to the program, each mentor must complete Green Zone Training (GZT), comprised of 6 modules (approximately 2 hours in length). Those who complete all module will also receive a GZT decal, indicating their support.
