Filming will take place on Friday, September 18th, from 2:00 - 4:00 pm in the UC Simulation Center. Students are needed to portray the roles of various health care professionals (can play the role of any provider). Individual scripts are short and will be provided.

Veteran to Veteran Mentorship Program

The HSC Veterans Resource Center is seeking veterans at TTUHSC who would like to fill a mentorship role for another veteran or service member. This developing mentorship program will provide an opportunity to serve as a trusted friend and leader in the development and support of a fellow veteran or service member; to help them navigate student life, identify challenges they may encounter, provide appropriate resources on and off campus, and offer ongoing support toward academic, personal, and professional successes. If interested, please email sara.henly@ttuhsc.edu. In order to bring best practices to the program, each mentor must complete Green Zone Training (GZT), comprised of 6 modules (approximately 2 hours in length). Those who complete all module will also receive a GZT decal, indicating their support.
