Discussion sessions will each be one hour long with four occurring in the Fall and four occurring in the Spring. You must attend 6 of 8 discussions and 2 lunch lectures/films hosted by the Office of Global Health per semester (a total of 4 for the year) to receive credit.

### Student Printing

Students automatically receive up to \$70.00 of free printing every 6 months. PaperCut, the system that the Libraries uses for printing, credits students twice each year on January 1st and July 1st. Students can also purchase additional credit out-of-pocket or transfer some of their credit to other students. While the Libraries are physically closed until September 1st, printers in other locations are available. For a list of printers, please see our webpage: <https://ttuhsc.libguides.com/papercut/printers>.

As healthcare professionals it is vitally important that we cultivate an environment that provides support for everyone inclusive of all circumstances and experiences, ethnicities, races, gender identities, sexual preferences and backgrounds. This council will meet regularly to discuss campus climate, community involvement and ways to bring positive change.

If you are interested in becoming involved, please send an email to [diversity@ttuhsc.edu](mailto:diversity@ttuhsc.edu) that contains your name, school/program, and GPA. In 200 words or less describe your goals for the council and express why you think you would be a good fit for the Student Diversity Council.
