STUDENT ORGS

Important Information for Student Org Officers & Advisors

Agency Accounts Moving Off Campus

As part of a review of policy and procedures the Office of Student Life has been conducting this summer, we have decided to move student organization agency accounts off-campus. This will allow student organizations more freedom with collecting money, purchasing items at local or online vendors, and last-minute purchases. We have created a resource page which details the steps your student organization will need to take to apply for an EIN (Employer Identification Number), open a bank account, becoming a vendor with TTUHSC, and relevant tax information. That page can be found on the Student Life website at www.ttuhsc.edu/student-life/organization-funding.aspx.

Once your organization's bank account is setup and you are ready to withdraw your agency funds from TTUHSC, please contact our office at Student.Life@ttuhsc.edu or 806-743-2302.

The deadline for moving agency funds to an off-campus account will be March 1, 2021, to coincide with the annual Student Organization Budget & Slate of Officer Form submissions.

For any questions, please contact the Office of Student Life at 806-743-2302 or Student.Life@ttuhsc.edu.

Student Organization Orientation Coming Soon

The Office of Student Life will be hosting several student organization orientations soon to help provide important updates on policy changes and procedures for this year, as well as guidance on meetings, events, and community service activities for groups. The orientations will be held via Zoom. We ask that the President and Treasurer from each organization attend the meeting and if possible the organization's advisor. Your organization only has to attend one meeting, unless officers/advisors need to attend separately. An email will be going out to organization officers and advisors this week with dates and registration links to get signed up.
