DO NO HARM - An Interprofessional Patient Safety Event (Virtual)

Teams of interprofessional students will virtually enter a hospital exam room and immediately begin to examine the scene and identify medical errors. This exercise emphasizes the importance of roles and responsibilities, and collaborative practice. By demonstrating that each student approaches the patient and the room differently, it becomes apparent how much each profession relies on the other, the importance of collaboration, and highlights the importance of eliminating risks and errors to provide quality patient care.

Agency Accounts Moving Off-Campus

As part of a review of policy and procedures the Office of Student Life has been conducting this summer, we have decided to move student organization agency accounts off-campus. We have created a resource page which details the steps your student organization will need to take to apply for an EIN (Employer Identification Number), open a bank account, becoming a vendor with TTUHSC, and relevant tax information. That page can be found on the Student Life website at www.ttuhsc.edu/student-life/organization-funding.aspx.

The deadline for moving agency funds to an off-campus account will be March 1, 2021, to coincide with the annual Student Organization Budget & Slate of Officer Form submissions.

For any questions, please contact Student Life at 806-743-2302 or Student.Life@ttuhsc.edu.
