## **Our Legacy Now Student Foundations - Accepting Applications**

Sometimes it takes a student to help a student. Our Legacy Now Student Foundation (OLN) is a student-led organization that provides emergency financial assistance to students who are experiencing unanticipated hardship. Our Legacy Now Student Foundation was created when it was realized there was a need among TTUHSC students to have emergency funding. Emergencies do not give warning and the stress can be overwhelming. Our Legacy Now's purpose is to relieve some of the financial burdens that come with emergency situations. TTUHSC students can apply and receive up to \$1,000 in assistance from OLN.

If you are a TTUHSC student experiencing an unanticipated emergency financial situation, please visit <https://www.ttuhs.edu/our-legacy-now/default.aspx>

\*Please read through all of the application requirements before submitting your application. Your application will be reviewed and voted on by the OLN student board.

## **Noise Disruption Possible - Preston Smith Library**

You may experience some noise disruption in the Preston Smith Library in Lubbock on the 3rd floor due to the removal of shelving. It is anticipated that the work will be completed within the next two months. If you are finding the noise intrusive, please use the study rooms on the 2nd floor. We apologize for any inconvenience and are grateful for your understanding.

## **Library Mobile Apps**

The TTUHSC Libraries recently created a new guide on how to access TTUHSC Library clinical resources from your mobile devices. The new guide provides tips on how to create accounts, install, and download apps. For more information, please see our new guide: <https://ttuhsc.libguides.com/c.php?g=1104321&p=8051220>
