Our Legacy Now Student Foundations - Accepting Applications

Sometimes it takes a student to help a student. Our Legacy Now Student Foundation (OLN) is a student-led organization that provides emergency financial assistance to students who are experiencing unanticipated hardship. Our Legacy Now Student Foundation was created when it was realized there was a need among TTUHSC students to have emergency funding. Emergencies do not give warning and the stress can be overwhelming. Our Legacy Now's purpose is to relieve some of the financial burdens that come with emergency situations. TTUHSC students can apply and receive up to \$1,000 in assistance from OLN.

If you are a TTUHSC student experiencing an unanticipated emergency financial situation, please visit <https://www.ttuhsc.edu/our-legacy-now/default.aspx>

Big 12 LGBTQIA & Allies Summit

This year has been filled with challenges, notably racial injustice and transphobia, and a health crisis that has disproportionately impacted some of the most vulnerable people in society. The LGBTQIA community, our allies, and others with diverse experiences and identities have shown our capacity to demonstrate flexibility, perseverance, and unity. We have shown our ability to bend and, at times, change directions to continue moving forward. While these characteristics are not novel to this time and place, they can produce something beautiful and unique like the rainbow beams produced when light refracts through a prism. The Summit this year will provide us a medium to reflect, refract, and act. Late registration is open until February 26th at <https://indico.ads.ttu.edu/confRegistrationFormDisplay.py/display?confId=1588>.
