### TTUHSC Libraries' Subject Guides

Subject guides are often the best place to start when working on a research or class project. Our library staff have created guides that point you to library resources and services that can help you answer research and clinical questions, find peer-reviewed articles, and efficiently store and prepare citations for papers. Go to <https://ttuhsc.libguides.com/new/allguides> or use the "Search Guides and Tutorials" box to find subject guides that will help you succeed.

# STUDENT ORGS

## Update Officers & Roster in HSC Net

As student organizations begin holding elections for new officers, please make sure to update your roster and give your new officers access to your organization's page in HSC Net. This helps to ensure important announcements get to the right students and gives new officers access to documents and finance information they need to lead the organization.

For any questions regarding HSC Net, please contact Student Life at [Student.Life@ttuhsc.edu](mailto:Student.Life@ttuhsc.edu) or 806-743-2302.

The Office of Interprofessional Education hosted the first TTUHSC Disaster Day on Friday, March 26th at the American Windmill Museum in Lubbock, Texas. Students worked together in teams during this emergency response simulation. Thanks to all the students, faculty and staff who participated in the event!
