Student Satisfaction Survey - Deadline April 16

Students, you received an email invitation to participate in the biannual Student Satisfaction Survey. The deadline to participate is April 16, 2021. If you complete the survey, you will have a chance to enter a drawing to win one of five \$500 scholarships. Your survey responses will remain anonymous. We value and appreciate your feedback! For more information please contact TTUHSC Student Affairs at studentaffairs@ttuhsc.edu.

TTUHSC Blood Drive - Sign Up Open

TTUHSC is sponsoring the first American Red Cross Blood Drive in Lubbock, TX. Student, Staff, and Faculty are encouraged to pre-sign-up to donate blood during this special blood drive. It is our hope to fill all the spots with TTUHSC Team Members before needing to open it to the public. The Blood Drive will take place Monday, April 26th from 8:30 am to 3:30 pm in the TTUHSC Academic Event Center.

As an incentive, the TTUHSC SGA is sponsoring a friendly competition! The HSC Schools (GSBS, Health Professions, Medicine, Nursing, Pharmacy) that have the largest percentage of donors (students) will enjoy a private movie night at Stars and Stripes Drive-In on us! Additionally, the Red Cross is also offering a \$10 eGift card to donors under 24 years of age.

Sign-up today to be a hero to patients in need!

Liaison Librarians

The TTUHSC Libraries have dedicated liaison librarians for each of the TTUHSC schools. Each librarian can help you find full text articles, search databases effectively, and manage citations using RefWorks or EndNote. Find your liaison librarian: <https://ttuhsc.libguides.com/reference/liaisons>

Register Now - 4th Annual West Texas Breast Disease Symposium (Virtual)

Registration is now open for the 4th Annual West Texas Breast Disease Symposium which will be held virtually on Saturday, April 24th. The symposium is jointly presented by TTUHSC Breast Center of Excellence, TTUHSC Office of Continuing Medical Education, UMC Health System Cancer Center, and the Amarillo College Center for Continuing Healthcare Education.

The overall conference objectives are:

- Describe the role of cancer research and clinical trials in the care of breast cancer patients
- Examine available fertility and imaging options for cancer patients
- Discuss surgical treatments for breast cancer including reconstruction surgery
- Evaluate treatments available for breast cancer patients

To register visit the CME website at www.ttuhsc.edu/medicine/continuing-medical-education.

Self-Help Group - TAO
