Congratulations May Graduates!

Congratulations to students of the Schools of Medicine and Pharmacy who are graduating this weekend! We wish you all the best!

New Website for TTUHSC Students

Hey students! Check out the new TTUHSC website created for you: www.ttuhsu.edu/live-well. This website is part of Well Beyond, the TTUHSC Quality Enhancement Plan (QEP) created to promote your well-being across 8 wellness dimensions. Initially, your emotional wellness will be the focus of the website; later, you will find things to help you strengthen and balance your well-being across all the dimensions. Also, since this website is for you, we want your ideas concerning how to make it the best it can be for you. You can submit your idea(s) here: <https://tinyurl.com/48n2rydt>.

SADI T-Shirt Sale Extended

The TTUHSC Student Ambassadors for Diversity & Inclusion (SADI) are selling t-shirts! SADI Shirts can be purchased online here at <https://tinyurl.com/dpsy25th>. The deadline for ordering has been extended to May 25th. Pick up will be available at all regional campus locations approx. 2-3 weeks from deadline. Proceeds will be used by SADI to fund various D&I initiatives.

Welcome Incoming Lubbock Students

There are two entrances to the Preston Smith Library in Lubbock. One entrance is through the front lobby of the Preston Smith Library and the second is through Pod D. Students entering through the front lobby and from Pod D (second floor) will be required to badge in during normal library hours. Please contact HSC Police Department at 806-743-1300 if you need assistance with badge access to the Lubbock Library.

The TTUHSC Libraries are currently open:

Monday-Thursday 7:30 AM-9:00 PM

Friday 7:30 AM-5:00 PM

Saturday 10:00 AM-5:00 PM

Sunday Noon-5:00 PM

IPE Summer Escape Room Challenge - Lubbock Campus

The Office of Interprofessional Education will be hosting a fun and engaging Escape Room this summer for Lubbock campus students. This beginner escape room is an adventurous way for new students to meet others across our various healthcare professions, improve interprofessional teamwork and communication, and collaborate together to solve puzzles that will ultimately lead to a discharge plan in a simulated patient case.

To escape the room, interprofessional teams of students will work together to solve an introductory clinical case and then discuss the teamwork and communication skills used. At least two professions must be represented on each team. Teams will have one hour to complete the challenge. Following the completion of the challenge or at the end of the hour, a debrief will take place allowing teams to discuss their escape room experience and evaluate their teams performance. Registered participants who complete the Escape Room challenge will receive a certificate that can be given to their program directors for IPE graduation credit.

IPE Summer Escape registration is open at <https://bit.ly/IPE-EscapeRoom>. For more information, or if you have questions, please contact the Office of Interprofessional Education at ipe@ttuhsc.edu or call us at (806)743-2028.

Registration Now Open - Resiliency in Interprofessional Teamwork

Healthcare is a high-stress and high-intensity profession where change is constant. With today's global uncertainty, resiliency, grit, and an understanding of emotional wellness are critical not only for individual success but team success as well.

Resiliency in Interprofessional Teamwork, hosted by the Office of Interprofessional Education, will focus on strategies to increase resiliency for individuals and teams in challenging situations, identifying ways to adapt to an ever-changing environment. The event is open to all students, faculty, and staff. Register for the event here at <https://tinyurl.com/4n94x4xv>.
