A second opportunity to apply for QEP grant funding will come this fall for the Spring 2022 semester. An announcement concerning that opportunity will be made in September and the deadline for applications will be November 15, 2021.

The grant application can be accessed at <https://tinyurl.com/m45cu8rp>. For more information regarding this opportunity, please check out the grant application and/or contact Dr. Alan Korinek, QEP Co-Director (806-743-6175; [alan.korinek@ttuhsc.edu](mailto:alan.korinek@ttuhsc.edu)).

## **Student Health Insurance - Fall 2021 Enrollment/Waiver Process**

The Office of Student Life would like to make sure you know how to meet the requirement of the HSC OP 77.19 regarding the Mandatory Student Health Insurance. The steps to meet the requirement for the Fall 2021 semester and beyond are detailed on our website - <https://www.ttuhsc.edu/student-life/health-insurance.aspx>. You may watch our video at <https://tinyurl.com/jhv2vkb3> to better understand the steps.

The institutional sponsored student health insurance plan will be charged to students' fall tuition and fee bills. All students except those enrolled in a 100% distance program will be charged. If you do not have your own health insurance, you will just need to pay your tuition and fee bill and the health coverage will begin August 1 or September 1, depending on when your program begins the fall semester and if you are a new or returning student.

If you have alternative health insurance coverage (e.g., coverage by parent, guardian, spouse, or employer) that is Affordable Care Act (ACA) compliant, you have the option to submit a request to waive the student health insurance plan. The Fall waiver system is open at <https://ttuhsc.myahpcare.com/waiver>. **To avoid seeing the student health insurance charge, we advise you get your waiver submitted as soon as possible!**

For more information on the institutional sponsored plan, please visit <https://ttuhsc.myahpcare.com/>. Please contact our office at [Student.Life@ttuhsc.edu](mailto:Student.Life@ttuhsc.edu) or 806-743-2302 for any questions.

## **IPE Summer Escape Room Challenge - Lubbock Campus**

The Office of Interprofessional Education is hosting a fun and engaging Escape Room this summer for Lubbock campus students. This beginner escape room is an adventurous way for new students to meet others across our various healthcare professions, improve interprofessional teamwork and communication, and collaborate together to solve puzzles that will ultimately lead to a discharge plan in a simulated patient case.

Remaining dates for the escape room are July 16th and August 20th and 27th. [IPE Summer Escape registration](https://bit.ly/IPE-EscapeRoom) is open at <https://bit.ly/IPE-EscapeRoom>. For more information, or if you have questions, please contact the Office of Interprofessional Education at [ipe@ttuhsc.edu](mailto:ipe@ttuhsc.edu) or call us at (806)743-2028.
