Do No Harm: An Interprofessional Patient Safety Event

Registration is open for Do No Harm: An Interprofessional Patient Safety Event. The virtual event, hosted by the Office of Interprofessional Education, will be held on September 17, 2021, from 1:30 pm – 4:00 pm, coinciding with World Patient Safety Day.

Preventable medical errors are the third leading cause of death in the U.S., claiming the lives of over 400,000 patients each year. The purpose of this interprofessional patient safety event is to highlight the role of team-based care in order to identify and resolve potential medical errors and hazards, discuss root causes in cases of medical error, and practice disclosure of medical errors as a team.

The event will feature a keynote session followed by breakout rooms where interprofessional teams of students will watch a series of videos to identify errors in various care settings. Following the error identification activity, student teams will then work through a case study to determine the root cause of a medical error, practicing steps in error disclosure with the patient's family.

Registration is open through September 10th. To access the registration site, [click here](#). For more information, contact the Office of Interprofessional Education at ipe@ttuhsc.edu, or call (806) 743-2028

Standing Desk Risers

The Preston Smith Library in Lubbock has three portable standing desk risers that are available for check out at the circulation desk.

Anatomy Resources at the Library

The Preston Smith Library in Lubbock now has 3 full skeleton anatomical models in addition to models of organs and bones. Some models are located at the Circulation Desk. The TTUHSC Libraries also offer online interactive anatomy resources such as Anatomy.tv, Draw It to Know It, and Netter.

IPE Fall Symposium - Keynote Speaker Announced

Registration will soon be opening for this year's IPE Fall Symposium. The symposium will be held on November 5 from 9:00 am - 3:00 pm and this year's theme is Difference Matters: Valuing Diversity, Equity, & Inclusion in Interprofessional Teamwork. Join Dr. Oluwaferanmi Okanlami as he shares a powerful keynote message on the importance of identity and inclusion of all people and the disproportional impact and health inequities faced by our patients.

Over the next three months, the Office of Interprofessional Education will be sharing videos from Dr. Oluwaferanmi and his messages on disability awareness and diversity in healthcare. This month's video features Dr. Oluwaferanmi's personal story of resilience and triumph as he worked to overcome the challenges related to paralysis after he broke his neck in a swimming accident during his third year of residency.

The IPE Fall Symposium is hosted each fall by the Office of Interprofessional Education. For more information, visit our website at <https://www.ttuhs.edu/interprofessional-education/> or email us at ipe@ttuhs.edu.

Fall Medication Cleanout Dates

The Fall 2021 Medication Cleanout dates have been announced for Abilene, Amarillo and Lubbock campuses. STUDENT ORGS

Student Organization Trainings

The Office of Student Life will be hosting three trainings for student organization officers in September. These meetings will cover the policies and procedures for student organizations, as well as important updates on deadlines for spending and annual re-registration. Please visit HSC Net (<https://ttuhsc.campuslabs.com/engage>) to RSVP for a training. We ask that at least the President and Treasurer attend a training; Advisors are also welcome to attend as well. The meetings will be held in person, but with Zoom links available to those unable to be on campus for one of the scheduled dates.

- Thursday, September 9th at 5:30 pm
- Friday, September 10th at Noon
- Wednesday, September 15th at Noon

HSC Net Updates

Please make sure to update the officers in your organization's Roster in HSC Net. Updating the rosters and the officers ensures that the correct students receive any announcements or updates that are vital for student organizations to run smoothly.
