HSC Rounds

Office of Student Services

Irene Soza has been at TTUHSC since 2009 serving a variety of meals, snacks, and refreshments at the Sam's Express in the Academic Classroom Building. She loves getting to talk with the friendly students who stop by or greet her as they pass by on their way to class. Her goal is to give the students, staff, and faculty at TTUHSC a great experience and is always willing to hear suggestions. "If they would like something I don't have, just let me know and I'll do what I can to get it here." Irene said. If you would like your food warmed, they have a microwave and a panini press on-site to help with warming up muffins, sandwiches or burritos. So stop by to see Irene for some delicious food and service with a smile.

They will be closed for a short break starting Friday, August 16th and open back up for the Fall semester starting Wednesday, August 21st.

Stop by the Libraries’ Circulation Desk on your campus to borrow a charging cord. In addition to charging cords, the Libraries also have other study aids such as movable whiteboards, extra dry-erase markers, WIFI hotspots, and standing desks. If you have other supplies that you think that the Libraries should loan out, please email your ideas to mylibrary@ttuhsc.edu.
